DEPARTMENT OF MECHANICAL ENGINEERING

Department of Mechanical Engineering conducted webinar on 21/5/21 for 8th semester Mechanical engineering students. The webinar is delivered by Mr Vinayak N Kulkarni on topic "***Product Lifecycle Management (PLM): A key enabler for implementation of Industry 4.0***". Various factors related to PLM implementation in industry have been discussed. Session is successfully carried out in Google Meet. Webinar is coordinated by Prof Deepak Lokare and Prof Naveen C S.

Mr Vinayak N Kulkarni expertise lies in the areas of Industrial Engineering, Work study, Ergonomics, Project Management, Machining of smart alloys and engineering education. He has been handling both UG and PG courses since last 11 years at KLE Technological University (Earlier BVBCET). Recently, from last 3 years, he has started developing and teaching new courses like Product Lifecycle Management and its applications in Industry 4.0 technology.
