## Report on “FIELD VISIT TO INFRA MARKET RMC PLANT @ HUBLI”

Department of Civil Engineering, KLS Vdit, Haliyal had organized field visit to Inframarket RMC plant , Navanagar, Hubli for 5<sup>th</sup> semester students on 08/12/2021. Nearly about 65 students visited the plant following the necessary COVID 19 protocols. Mr. Mayut Rokhade, Manager of the plant along with his subordinates explained the different features of the plant. Students were divided into groups and with necessary safety armors ,each group visited different areas under the supervision of each subordinate. Following are the points which were discussed during the visit.

- Students were discussed with raw material storage bins, areas, conveyers, mixers, quality checks etc.
- Students were also discussed with various aspects of concrete technology.
- Different types of special concretes were demonstrated with the specimens.
- Quality control labs were visited wherein different methods of quality checking was explained.
- At the end of visit, students were quizzed about the visit and best 3 answers were awarded with prizes by the plant manager.

Feedback:

1. *“It was a very great experience. Got to learn more things other than college syllabus”*-Ms. Mehar
2. *“This is the first time I have visited a real concrete plant. Sir guided us as well as cleared our doubts”*- Yash P.
