1.	How has KLS VEDIT helped you in shaping your career? My college has taught me how to build our confidence, how to express ourselves. So I'm grateful to that
2.	What further improvements would you suggest in the department level and the institute level? Students should be given more opportunities for placements
3.	Any other suggestions?

1. How has KLS VDIT helped you in shaping your career?

KLS VDIT has helped a lot in my Academic skills. In encouraging and shaping my Career at its best. I have a good connection with this College as I spent my 8 years both as a student & faculty.
2. What further improvements would you suggest in the department level and the institute level?

There should be some exposure and encouragement for the students to go for Certification learning new / ongoing trainings in their Academic Career. Already a lot of improvements are going on in this college.
3. Any other suggestions?

Encourage student to attend / organize Industry visits / Experts . interaction . with professionals in different work .
Also encourage them to participate and look forward for entering in Core Areas.

We will be delighted to hear from
