Feedback on the academic performance and ambience of the institution

The number of students who Participated : 237

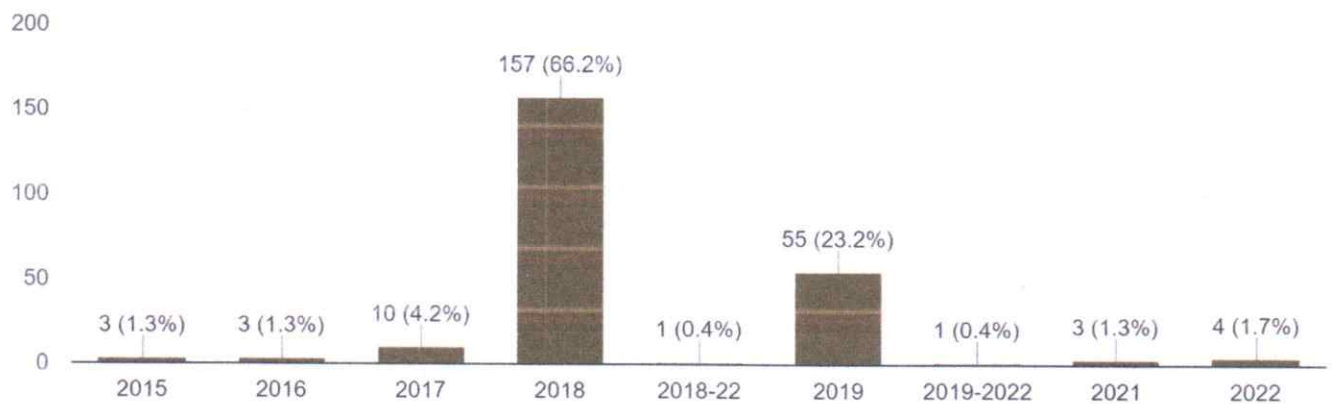

Branch

237 responses

Year of Admission

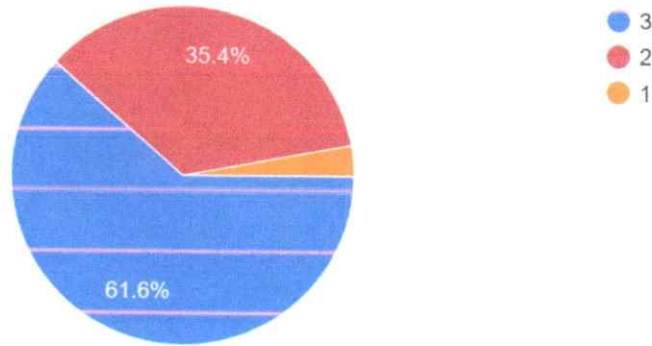

237 responses

Principal
KLS Vishwanathrao Deshpande
Institute of Technology, Haliyal

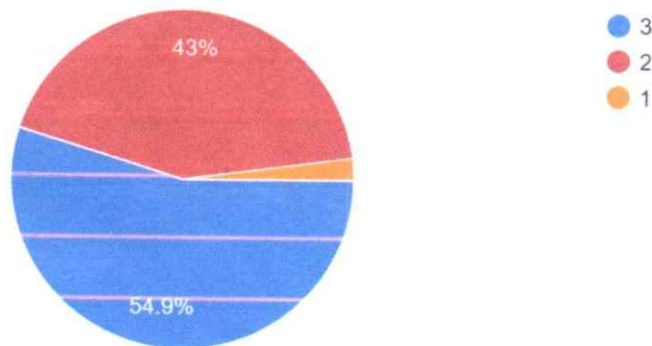

1. Have you learned the fundamental principles underlying the major areas of mathematics, sciences and engineering in your courses?

237 responses

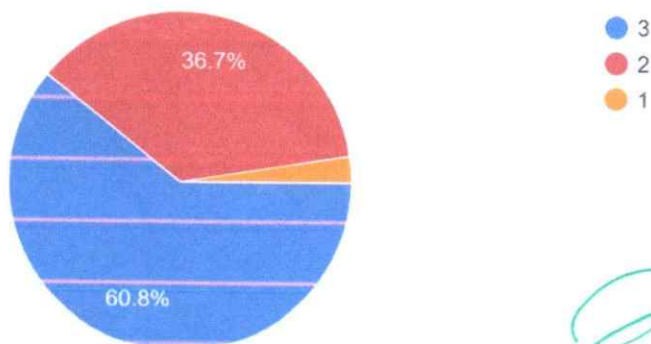

2. Are you able to analyze a problem and formulate the solution using principles of mathematics, natural science and engineering sciences to engage yourself in national level research?

237 responses

3. Are you capable of solving complex problems that meet the specified needs for health, safety, societal and environmental considerations?

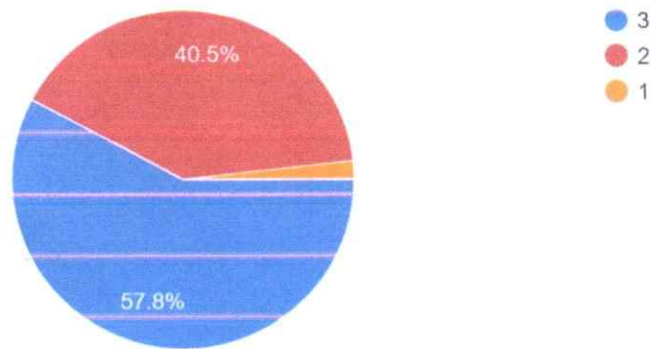

237 responses

Principal
KLS Vishwanathrao Deshpande
Institute of Technology

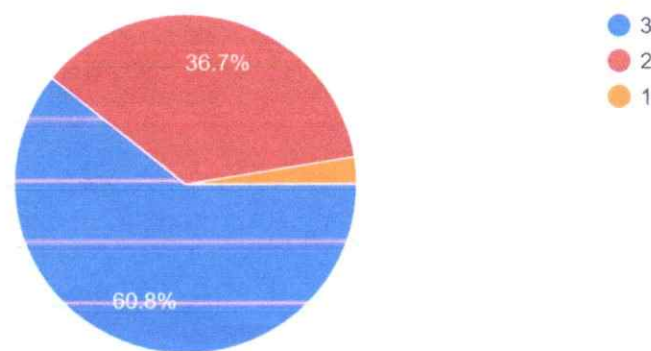

4. Are you able to conveniently investigate complex problems using research-oriented knowledge and methods to provide appropriate solution?

237 responses

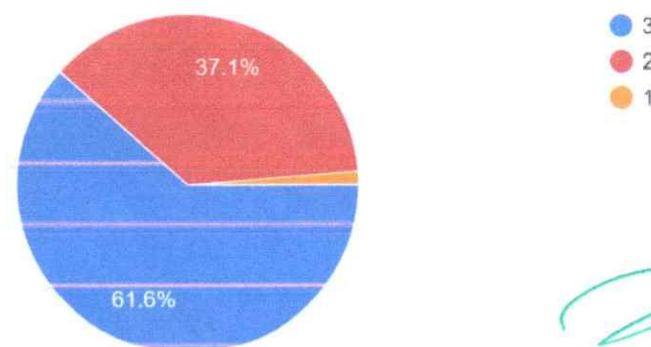

5. Have you used creative thinking/Modern tools/technique/resources for designing mechanical equipment's or solutions to complex engineering activities keeping the constraints in mind?

237 responses

6. Are you able to reason out issues related to society, health, safety, legal and culture using contextual knowledge and borne the responsibility ...sional engineering discipline to address the same?

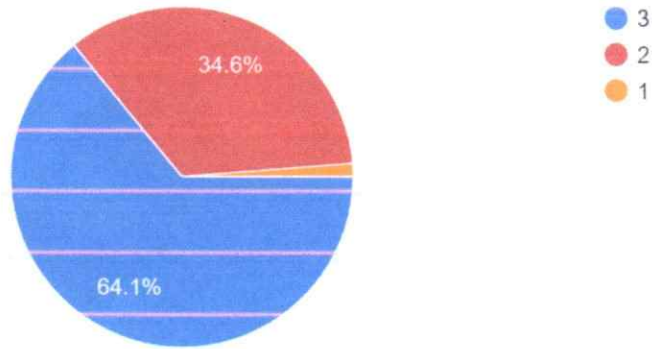

237 responses

Principal
KLS Vishwanathrao Deshpande

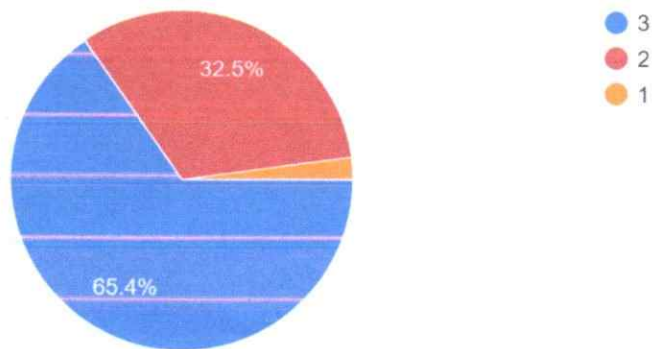

7. Are you able to grasp the impact of professional engineering solutions in the context of society and environment and apply it for sustainable development?

237 responses

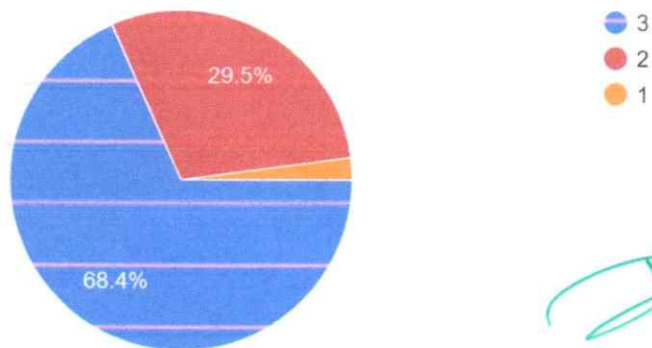

8. Are you able to apply ethical principles and commitment to professional ethics and responsibilities?

237 responses

9. Are you a team player and able to function effectively in a multidisciplinary setting?

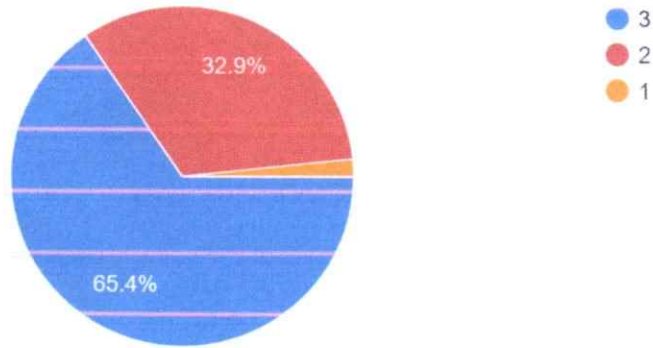

237 responses

Principal
KLS Vishwanathrao Deshpande
Institute of Technology, Pimpri

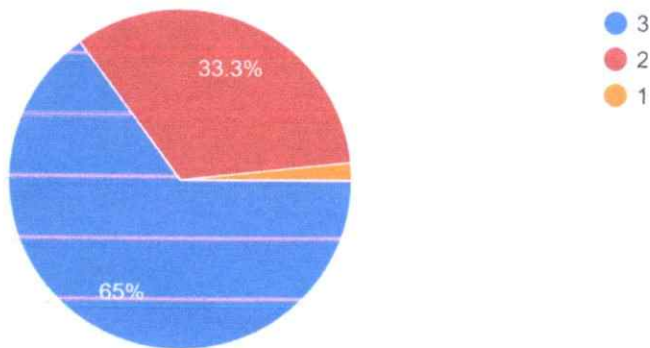

10. Are you able to communicate effectively on complex engineering activities with the engineering communities and the society?

237 responses

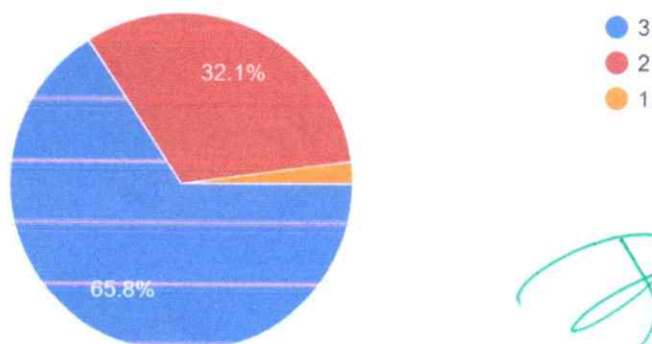

11. Are you able to apply knowledge and skill to manage projects in a multi- disciplinary environment?

237 responses

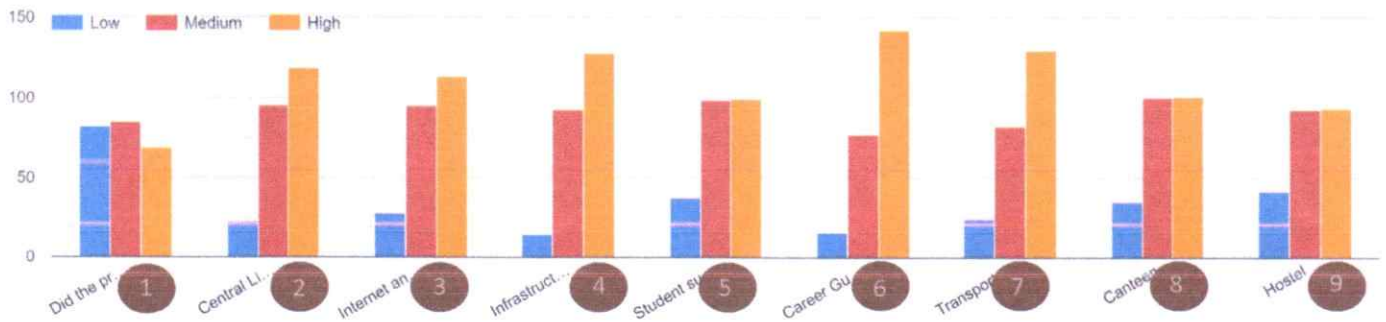

12. Are you able to keep yourself updated on the latest technology to work in power plants & manufacturing industry?

237 responses

Principal
KLS Vishwanathrao Deshpande
Institute of Technology, Hatival

Facilities

Facilities

1. Did the program meet your expectation in terms of content and learning outcomes
2. Central Library
3. Internet and Computer Facility
4. Infrastructures Class / Labs / Seminar Hall
5. Student support service at the institution
6. Career Guidance & Placement
7. Transportation
8. Canteen
9. Hostel
