Department Activities

Department of Civil Engineering

Workshops/FDPs/Conferences

1. **Dr. Ashik Bellary** attended 2nd Series of Geotechnical Engineering Practices and its Sustainable Development-2024 Organized by Department of Civil Engineering, **Ballari Institute of Technology & Management, Ballari from June 18 to June 22, 2024.**
2. **Dr. Ashik Bellary** has conducted online Training program for Diploma students on topic of "**Trigonometry and Calculus**" for DCET students on **June 18, 2024.**
3. **Prof. Harsha Jadhav** attended one week online FDP on "**Geotechnical Engineering Practices and its Sustainable Development**" from **June 18 to June 22, 2024.**
4. **Prof. Vijaylaxmi B V** Attended one Week online Faculty Development Programme on "**Sustainable Practices in Civil Engineering**" Organised by Department of Civil Engineering, TGPCET, Nagpur. From **June 24 to June 28, 2024.**
5. **Prof. Seema Basarikatti** Attended and Presented paper titled "**Groundwater Quality Analysis and Treatment using Graphene Oxide- A case study of Karwar region**" at National Conference held by **Karnataka Science and Technology Academy (KSTA)- Bangalore** during **June 19 to June 21, 2024.**

This event was jointly organized in association with Ministry of Jal Shakti Government of India, Department of Water Resources River Development and Ganga Rejuvenation.

Events Organized

1. Department of Civil Engineering organized one day technical site visit to "**Alnavar Railway Station (LWR)**" on **June 03, 2024** to understand the practical aspects of railway junction and signal system. The field visit has also helped our Students to know the different parts of steel structures. **Shri. Gopal, Station Master** shared his practical experience with our 6th semester students. The Site Visit is coordinated by **Prof. Harsha Jadhav and Prof. Harshvardhan V. S.**

Department of Civil Engineering

2. Department of Civil Engineering organized one day technical site visit to “**Conecc Industry Pvt. Ltd**”. Dharwad to understand the practical aspects and standards in manufacturing the cement and concrete blocks. **Shri. Amit** Manager Conecc shared his experience with the 6th semester students on **June 28, 2024**. This event was coordinated by **Prof. Harsha Jadhav**.

Department of Computer Science & Engineering

Workshops/FDPs/Conferences

1. **Prof. AbhayInchal** and **Prof. Nirmala Ganiger** conducted a workshop on “Practicals on C” on **June 12, 2024** for Second semester students.
2. **Prof. Bhagat Inamdar, Prof. Girish Shivanagudi** attended five days STTP titled “Hands-on AI Tools”, from **June 17 to June 21 2024**, organized by **RSP Science Hub, Coimbatore**

Events Organized

1. A two-day hands-on workshop focusing on **Microsoft Azure** was successfully conducted for students and faculty members on **June 27 and June 28, 2024**, respectively. **Mr. Ashwini Kumar**, the esteemed General Manager of Microsoft, Bangalore, invited as Chief Guest and resource person. **Dr. V. A Kulkarni, Principal, KLS Vdit** graced the occasion as the President of the function. **Dr. Shrinivas**

Sirdeshpande, HOD CSE, extended warm welcome to Dignitaries. **Dr. Venkatesh Shankar, Dean Academics**, delivered a vote of thanks, **Prof. Ravindra Patil, Assistant Professor** anchored the session. Throughout the workshop, participants engaged in interactive sessions and practical demonstrations, gaining hands-on experience in deploying applications, managing resources, and exploring the functionalities of Microsoft Azure. More than 200 students and faculties from different branches participated in the event and received certificates from Microsoft.

Department of Electrical & Electronics Engineering

Workshops/FDPs/Conferences

1. **Prof. S.M.Inamadar** completed one week Short term course cum FDP(5 Days) on **"Application of AI and ML on Renewable and EV Technologies"- (AAMREET-2024** from June 08 to June 12, 2024, organized by **Dept of E&E , NIT ROURKELA.**

Events Organized

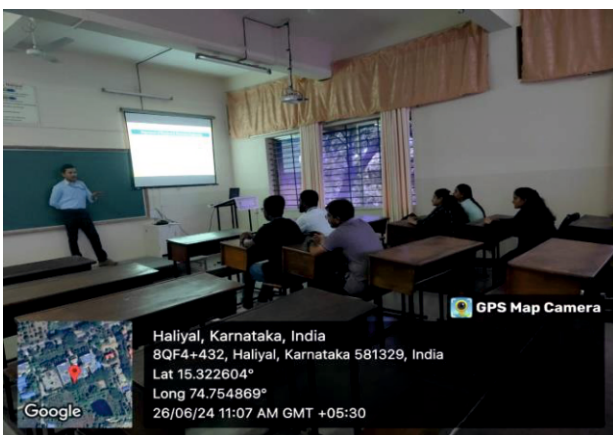

1. The Department of Electrical & Electronics Engineering, in collaboration with Electra and the Institution's Innovation Council (IIC), organized an insightful technical talk on **"Electric Vehicle - Challenges and Opportunities"** on **June 07, 2024.** The distinguished Chief Guest for the event was **Mr. Ganapati Sodigadde, Founder and Managing Director of EZON Electric Vehicles Pvt Ltd, Bengaluru.** Mr. Ganapati Sodigadde delivered a comprehensive talk, covering the latest advancements in electric vehicle technology. He provided valuable insights into the various career opportunities available in the EV sector, encouraging students to explore this rapidly growing field. Additionally, he discussed the entrepreneurial potential within the EV industry, sharing his experiences and offering guidance to aspiring entrepreneurs. The session concluded with

Ms. Vaishnavi Ambadgatti delivering a heartfelt vote of thanks. The event saw an enthusiastic turnout, with a total of **74** students from the Electrical & Electronics Engineering (EEE), Electronics & Communication Engineering (ECE), and Mechanical Engineering departments. This technical talk not only enlightened the students about the evolving landscape of electric vehicles two wheelers but also inspired them to consider innovative solutions and career paths in the sustainable transportation sector. The event was coordinated by **Prof. Ravindra Motekar & Prof. Subrahmanya Hegde.**

Department of Electrical & Electronics Engineering

2. On June 26, 2024, Prof. Varaprasad Gaonkar, delivered a talk titled “Elevating Research Quality for UG Students: Ethical Standards and Effective Literature Reviews” to the 6th semester students. The session aimed to enhance the research capabilities of UG students by emphasizing ethical standards and effective literature review practices.

3. Prof. Rajeshwari Nanannavar organized technical talk on “Overview on Verilog HDL” on June 26, 2024, for 4th semester students. Prof. Shreegowri S. S., Department of Electronics & Communication Engineering was Resource person for the event

4. Prof. Rajeshwari Nanannavar organized Alumni interaction session on June 25, 2024 for 4th semester students. Mr. Veeraj Randewadi, ACC Limited, Bangalore, proud alumni (2013-17 batch) was Resource person for the event. He delivered talk on acquiring certification courses to enhance resumes and focusing on communication skills is spot-on for students aiming to enter the corporate sector. Additionally, highlighting job opportunities in Marine Engineering.

5. Prof. Ravindra Motekar addressed the students of Maratha Mandal Polytechnic Belagavi as an alumnus and delivered a technical talk on "Career Opportunities in the field of Electrical & Electronics Engineering" on June 29, 2024.

Workshops/FDPs/Conferences

1. **Prof. Deepak Sharma, Prof. Rahul C. M and Prof. Nikhil Kulkarni** have attended A One – day Orientation Program on **“The Impact of Research and Development on the Education System”** which was held at **KLS GIT, Belagavi on June 8, 2024.**
2. **Prof. Rohini Kallur** participated in the **Five Days Online Short-Term Training Program (STTP)** on **“Hands-On AI Tools: Elevate Your Creative Research Writing,”** from **June to June 21, 2024** organized by **RITE, Bhuvaneshwar, Odisha.**
3. **Prof. Shree gouri S. S** Attended one day Hands on session on **“Microsoft AI Azure Fundamentals”** on **June 28, 2024** and also delivered a Technical Talk on **“Overview of Verilog HDL”** to **4th Semester Students of E&EE Department** on **June 27, 2024.**

Events Organized

1. Institutions Innovation Council (IIC) & Department of Electronics & Communication Engineering jointly organized a **VLSI Quiz on June 19, 2024** in online mode for **6th Semester Students.** The event was organized & conducted by **Dr. Mahendra M. Dixit, President IIC, Prof. & Head (E&CE)** and coordinated by **Prof. Deepak Sharma.**

2. Institutions Innovation Council (IIC) & Department of Electronics and Communication Engineering jointly organized Orientation Program on **“IBM Skills Build Platforms”** on **June 25, 2024 in Online Mode through Microsoft Teams** for Staff and Students. Resource Person **Mr. Sachin Kumar Patil, Assistant Manager, Technology & Innovation, Learning Link Foundation** addressed the participants during the event. The event was organized & conducted by **Dr. Mahendra M. Dixit, President IIC, Prof. & Head (E&CE)** and coordinated by **Prof. Suraj Kadli.**
3. Institutions Innovation Council (IIC) & Department of Electronics and Communication Engineering jointly organized a **“Technical Debate”** on **June 26, 2024** for **4th Semester Students.** The event was organized & conducted by **Dr. Mahendra M. Dixit, President IIC, Prof. & Head (E&CE)** and coordinated by **Prof. Sheetal N. Mindolkar.**

Department of Electronics & Communication Engineering

4. Institutions Innovation Council (IIC) & Department of Electronics and Communication Engineering jointly organized a **"Seminar on Web Design and Development"** on June 27, 2024 for 6th Semester Students. The event was organized & conducted by **Dr. Mahendra M. Dixit, President IIC, Prof. and Head (E&CE)** and coordinated by **Prof. Pavitra M. Badiger.**

5. Institutions Innovation Council (IIC) & Department of Electronics and Communication Engineering jointly organized an **"Technological Innovation Management and Entrepreneurship"** event in **Online Mode on June 28, 2024** for 6th Semester Students. The event was organized & conducted by **Dr. Mahendra M. Dixit, President IIC, Prof. & Head (E&CE)** and coordinated by **Prof. Plasin Dias.**

6. Institutions Innovation Council (IIC) & Department of Electronics and Communication Engineering jointly organized Impact Lecture Series (Grant in AID: IIC – MoE, Phase -1 2023 – 2024) entitled **"RECENT DEVELOPMENTS & NOVEL APPROACHES FOR INNOVATION, ENTREPRENEURSHIP & INTELLECTUAL PROPERTY"** on **June 28, 2024**. The event was organized & conducted by **Dr. Mahendra M. Dixit, President IIC, Prof. & Head (E&CE)** and coordinated by **Prof. Suraj Kadli**. All Staff & Students Participated in the event.

7. Institutions Innovation Council (IIC) & Department of Electronics and Communication Engineering jointly organized a **"PythonQuiz"** on **June 27, 2024** for 6th Semester Students. The event was organized & conducted by **Dr. Mahendra M. Dixit, President IIC, Prof. and Head (E&CE)** and coordinated by **Prof. Anita M. Hanchinal.**

Department of Electronics & Communication Engineering

8. Prof. Shree gouri S. S Attended one day Hands on session on "**Microsoft AI Azure Fundamentals**" on **June 28, 2024** and also delivered a Technical Talk on "**Overview of Verilog HDL**" to 4th Semester Students of E&EE Department on **June 27, 2024**.

Student Achievements

9. Two Sixth Semester Students of Department have been selected at nationally acclaimed IITs for the following trainings.

Ms. Sneha Changoli, has been short listed to "**Phase-2 of Indo-Taiwan-US Hands on training on VLSI Technology organized by IIT, Hyderabad**" and one amongst 45 students at National level. The workshop is scheduled from **June 24, 2024 to August 2, 2024** and **Ms. Dhanya V. Kulkarni** has been selected as "**Intern in IIT, Dharwad**" to pursue her internship in the field of "**VLSI Design and Technology**" from **May 14, 2024 to July 15, 2024**. Prof. **Pooja C. Shindhe** and **Dr. Mahendr M. Dixit**, HOD, Department of E&CE have guided the Students and Faculty members shared their happiness towards this achievement. **Dr. V. A. Kulkarni**, Principal, KLS VDIT, congratulated student achievers.

Department of Mechanical Engineering

Staff Achievement

1. Technical Talk @ polytechnic on **June 26, 2024**

Dr. Shankar Badiger addressed the students of **JSS KH Kabbur Institute of Engineering, Dharwad** as an alumnus and delivered a technical talk on "**Innovative projects on solar energy.**"

Workshops/FDPs/Conferences

1. **Dr. Shylesha Channapattana** published a book chapter "Detection and Classification of Mango Fruit-Based on Feature Extraction Applying Optimized Hybrid LA-FF Algorithms (2024)" along with Parikshit N Mahalle, Namrata Nishant Wasatkar, Gitanjali R. Shinde, Data-Centric Artificial Intelligence for Multidisciplinary Applications, Chapter 12 (9 pages), 1st edition, eBook ISBN9781003461500, **Taylor & Francis Group**. He also published a paper "Thermodynamic and Exhaust Emission Studies of CI Engine powered by Neem Oil Methyl ester blends doped with Nickel Oxide Nano Additives" published by **Wiley's : American Institute of Chemical Engineer's Journal "Environmental Progress & Sustainable Energy"** with impact factor (Clarivate) 2.8 and Q₂ ranking.

2. **Prof. Ranganath Patil, Prof. Gururaj Sattigeri, Prof. B. B. Patil and Prof. Gurunath Mewundi** attended the ISTE approved online Faculty Development Program on "Revolutionizing Vibration Analysis through Artificial Intelligence & Machine Learning Integration" held during **June 11 to June 15, 2024** organized by **Dr. D.Y. Patil Institute of Technology, Pimpri, Pune**.

3. **Dr. Gururaj Hatti** participated in the Value added online course entitled "Digital Transformation from Industry 4.0 to Industry 5.0" held at **Vellore Institute of Technology, Vellore**, during **June 10 to June 14, 2024**.

4. **Prof. Deepak Lokare** attended an online session on MELSEC iQ-R PLC (Advanced) course conducted by **CVR College of Engineering, Hyderabad** on **June 15, 2024**.

Events Organized

1. Under the umbrella of **Bureau of Indian Standards, Hubballi, Standards Club- KLS VEDIT Haliyal** arranged industrial visit to the **6th semester Mechanical Engineering students** on **June 21, 2024** at **M/S Vigneshwar Polymers, Dharwad**. Students witnessed manufacturing processes of HDPE pipes, couplings, drip pipes used in agricultural applications and were exposed to various testing methods and standards of HDPE pipes and couplings. **Dr. Shankar Badiger** and **Dr. Anant Joshi** visited the industry along with the students.

Department of Mechanical Engineering

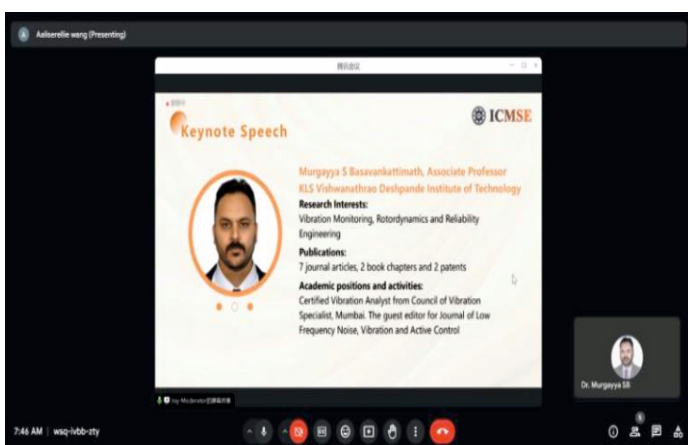

3. 6th semester students of **Mechanical Engineering Department** visited **Canara Plast, Industrial area, Guddapur, Haliyal** on **June 06, 2024** to study the manufacturing process of plastic components by injection moulding and blow moulding processes. **Dr. Shankar Badiger** and **Prof. Gurunath Mewundi** visited the industry along with the students.

3. Keynote Speech

Dr. Murgayya S.B. was a Keynote Speaker in the **12th International Conference on Mechanical Science and Engineering (ICMSE2024)** through online mode on **June 27, 2024**, conducted at Beijing, China. He has delivered a talk on **"Vibration Signature Analysis on Complex Rotor Model Assembly"**.

Department of Basic Science & Humanities

Workshops/FDPs/Conferences

1. **Dr Sneha S Kulkarni** successfully completed “**International workshop on Research Method and Methodology**” conducted from **June 3 to June 10, 2024**, organized by European International Research Council and Research University, USA.
2. **Dr Sneha S Kulkarni** successfully completed “**Faculty Development Program on “Free Publication of Manuscript in Peer-Reviewed International Journal**” conducted from **June 14 to June 22, 2024**, organized by European International Research Council and Research University, USA

Events Organized

1. Motivational talk by Kush Durg

Department of Basic Science conducted a Motivational talk on **Vedic Mathematics and Personality Development** on **June 6, 2024** for first year BE students. **Shri Kush Durg**, a distinguished motivational speaker and an expert in Vedic Mathematics and English Grammar, delivered an inspiring and educational talk to the first-year students (2nd semester). Hailing from Belagavi, Shri Durg is well-known for his engaging presentations and profound knowledge in simplifying complex mathematical concepts and enhancing English writing skills. Around **200 students** benefited by this event.

2. Visit to NPCIL Kaiga, Karwar

First year B division (60 students), ECE branch students along with **Dr V H Naik** and **Dr Sameer Galagali** visited to **NPCIL Kaiga** on **June 22, 2024**. Shri Aldrin D.Souza gave an overview of NPCIL campus, indigenous design, construction and commissioning of power generating reactors. Shri Satish Naik and Shri Gourish Naik also gave information on safety measures adopted in the campus for smooth operation of plant and generation of energy. Students were also taken to Sub-regional Science Centre, Karwar.

KLS VEDIT- Women Cell Activity

Events Organized

The Women's Cell, in association with the Institution's Innovation Council (IIC), organized an enlightening talk on "Challenging Perceptions on Menstrual Hygiene" for girl students and female staff on June 07, 2024. The resource person, Dr. Geeta S. Bammangoudra, BHMS & MD (Psychotherapy) from Dharwad, delivered an insightful address on Menstrual Hygiene Management (MHM). She emphasized the importance of breaking taboos surrounding menstruation, shared practical tips for maintaining hygiene, and highlighted the psychological aspects related to menstrual health.

KLS VEDIT- Sports Activity

1. KLS VEDIT received cash prize of Rupees 1 Lakh from VTU Belagavi for achievements in sports.

2. KLS VEDIT men team participated in 25th VTU Athletic Meet held at VTU PG Centre Mysore on June 26 to June 29, 2024.

KLS VEDIT- ECO CLUB Activity

Events Organized

1. KLS VEDIT NSS and ECO Club student members visited **Honey Bee Centre Joida** on **May 29, 2024**. Students got the thorough knowledge and hands on experience on Bee keeping. Trainers at Bee keeping centre explained about Honey Bee Life Cycle and Importance of Honey Bees for survival of Humans. This event coordinated by **Prof. Santosh Savanur and Prof. Laxmi G Hattiholi**.

2. Best Out of waste Competition

ECO CLUB OF KLS VEDIT organized a "Best Out of Waste" competition on **June 5, 2024** in celebration of **World Environment Day 2024** at Chemistry lab. This Event was coordinated by **Dr Sneha S Kulkarni**. The aim of this event was to raise awareness among students about the importance of **recycling and upcycling waste** materials, thereby promoting environmental conservation. This competition will encourage students to **creatively reuse** waste materials to make useful and decorative items, fostering both **environmental responsibility** and **artistic expression**.

This event not only highlights the significance of **World Environment Day** but also inspire students to adopt **eco-friendly practices** in their daily lives. Additionally, the event provided a platform for students to showcase their **innovative ideas** and **craftsmanship**. Students participated actively in this event. In this event, 2nd semester BE students, **Miss Sejal of EEE branch and Miss Sanjana of CSE -AIML branch** secured **first place**. 6th semester BE Students,

KLS VDIT- ECO CLUB Activity

Miss Sanika & Miss Vaishnavi of EEE branch secured 2nd place. 2nd semester students, Miss Nakshatra and Miss Sanjana of CSE branch secured 3rd place.

3. Tree Plantation activity on the eve of World Environment Day 2024

KLS VDIT Eco Club had conducted Tree Plantation activity on the occasion of World Environment Day on **June 5, 2024**. Medicinal Plants were planted at Sanjeevini Sasyakashi KLS VDIT by all the Eco Club faculty and student members. Dean Administration Prof. Manjunatha and all the Eco Club Faculty members were present during the activity and planted the saplings. Also Prof. Manjunatha briefed about importance of planting trees to conserve Environment.

4. Karnataka state AIDS Control Prevention Society Karwar, **District Family and Health Unit Karwar** in collaboration with KLS VDIT and Red ribbon Club, NSS Unit had conducted World Blood Donors day on **19th June 2024** at KLS VDIT. **Shri. S B Hiremath, NACO Karwar** gave awareness to students regarding societal benefits to save Life and Health benefits of Blood Donation.

KLS VEDIT- NSS Activity

Events Organized

NSS Special Camp

1. KLS VEDIT NSS wing completed one week NSS special camp from **May 27 to June 2, 2024** at Kesarolli Village Haliyal. PDO Gandhi Yellur Gouda and School Head Master **Praveena Pathankar** madam present during inaugural function as a **Chief Guest** and **Dr. V A Kulkarni, Principal**, given presidential remarks during inaugural function.

More than **60 students** participated in the event and carried out some activities like **tree plantation, cleaning, paper bag distribution, visit to goshala, visit to honey bee park.** Motivational talk was given by **Shri. Kalidas Badiger and Shri Shantaram** to students.

2. Yoga Day – June 21, 2024

In recognition of the holistic significance of yoga in the lives of individuals, **Department of Physical education** in association with **NSS unit** celebrated International Yoga Day in KLS Vishwanathrarao Deshpande Institute of technology Haliyal, **on June 21, 2024.**

60 participants including NSS students along with Principal, **Dr. V A Kulkarni and Deans, faculty** members of the institution participated actively and performed various āsana under the

KLS VEDIT- NSS Activity

expert guidance of Director of Physical Education of the institution **Mr.G S Yellur, along with librarian Shri. Sunil Yaragatti.**

3. Yoga training to school students

On the eve of **International Yoga day June 21, 2024, KLS VEDIT NSS wing** gave yoga training to **Kesarolli, Havagi and Tegginhalli Government school students of Haliyal taluk.**

Education kit distribution for Government School children

Distribution of the education kits to encourage the children who study in Government schools. In association with The KLS VEDIT Employees Co-operative Society, Haliyal and the KLS VEDIT Students and Staff Consumer Co-operative Society, Haliyal, the KLS VEDIT distributed more than 30 educational kits to children studying from 1st standard to 10th standard in different Government schools. This event was conducted on **June 29, 2024**

Distinguished Alumni

Mr. Mohammed Afreed M Dharwad

Mr. Mohammed Afreed M. Dharwad
Junior Engineer

B R Patil, Engineers and Contractors, Dharwad
(Batch: 2019-2023)
Department of Civil Engineering

Mr. Abhijit Soudi our esteemed alumnus, who graduated from the Computer Science & Engineering department in the illustrious class of 2018, has ascended to remarkable heights. He is presently working as Technology Analyst at Infosys Limited, Bangalore. He is an experienced Technology Analyst with a strong background in Sterling Order Management System (OMS) development. Over the span of 3.5 years, he has been actively involved in various phases of the Software Development Life Cycle, specializing in order processing, fulfillment, inventory management, and support maintenance. Professional in Sterling OMS design and implementation, This accolade further solidifies his reputation as a shining star in the realm of technology and underscores his invaluable contributions.

Mr. Mohammed Afreed M. Dharwad presently working as Junior Engineer, Site Management, B R Patil, Engineers and Contractors, Dharwad from Dec-2023 to till date. Mohammed Afreed, has carried out many project works in a span of 6 months. At present he is working in the Project-Construction of Overhead Tank sand water supply pipelines from Kali River, Dandeli to Haliyal, Tergaon, Kawalwad and 113 Villages. He previously worked in the Department of Real Estate with Project of Prestige Finsbury Park, Godrej Ananda, Brigade Eldorado. Location-Bengaluru, Karnataka Duration of April 2023 to November 2023 and Company B G Shirke Construction Technologies Pvt Ltd. Designation-Internship Department Site Management Project Indian Institute Of Technology Dharwad. Location Dharwad, Karnataka Duration Aug 23rd to Sept 2023.

Mr. Abhijit Soudi

Technology Analyst
Infosys Limited, Bangalore
(Batch: 2018-2022)
Department of Computer Science & Engineering

Distinguished Alumni

Mr. Veeraj Randewadi

Mr. Veeraj Randewadi
Assistant Manager
ACC Limited, Bangalore
(Batch: 2013-2017)

**Department of Electrical & Electronics
 Engineering**

Ms. Shradda Vijay Paranjape completed her Bachelor of Engineering in Electronics and Communication Engineering in 2016. She has since built a robust career in the IT industry. Currently, she is employed at Infosys Pune as a Software Test Analyst, where she excels in ensuring the quality and reliability of software applications. In her role, Ms. Paranjape is responsible for designing and executing test plans, identifying and documenting defects, and collaborating with development teams to resolve issues. Her expertise in testing methodologies and her commitment to excellence have made her a valuable asset to her team. Additionally, she continuously seeks to update her skills and knowledge in the rapidly evolving field of software testing, contributing to her professional growth and success.

Mr. Veeraj Randewadi, having successfully graduated from the Electrical & Electronics Engineering department in 2017. He started his career as Assistant Manager at ACC Ltd, Bangalore in the year 2018. On 25th June 2024, he addressed the 4th semester students & gave advice on acquiring certification courses to enhance resumes and focusing on communication skills is spot-on for students aiming to enter the corporate sector. Additionally, highlighting job opportunities in Marine Engineering for Electrical Engineering students expands their horizon about career paths beyond traditional sectors.

Software Test Analyst
Infosys Pune
(Batch: 2012-2016)

**Department of Electronics & Communication
 Engineering**

Distinguished Alumni

Mr. Sagar Nilajkar

Mr. Sagar Nilajkar

**Supervisor, Hydraulics Design & Routing
John Deere, Pune
(Batch: 2009-2013)**

Department of Mechanical Engineering

Mr. Sagar Nilajkar, our proud alumnus from the 2009 batch of Mechanical Engineering, has established a distinguished career in the field of engineering. He is currently working as a Supervisor in Hydraulics Design & Routing at John Deere, Pune. In this role, Mr. Nilajkar is responsible for overseeing the design and routing of hydraulic systems, ensuring they meet rigorous quality and performance standards. His deep understanding of mechanical engineering principles and his expertise in hydraulics have enabled him to contribute significantly to the development of advanced agricultural machinery. Mr. Nilajkar's dedication to innovation and excellence has earned him recognition and respect within the industry.

Alumni Homecoming

Mr. Akash Angrolli, an esteemed alumnus of the Computer Science and Engineering department from the 2012-2016 batch, has made significant strides in his professional career. He is currently working as a Consultant at Whiplly India Pvt. Ltd. in Bangalore, where he plays a key role in providing expert guidance and solutions to complex technological challenges. On the 27th of May, 2024, Mr. Angrolli visited his alma mater, expressing admiration for the notable growth and developments within both the department and the institute as a whole.
