Department Activities

Department of Civil Engineering

Workshops/FDPs/Conferences

1. **Dr. Ashik Bellary** registered for PG certificate course "**Machine learning**" and **Prof. Harshavardhan V S** and **Prof. Rakesh Patil** registered for PG certificate course "**Cyber Security**" funded by AICTE from **July 01, 2024**.
2. **Dr. Ashik Bellary** registered for PG certificate course "**Machine learning**" and **Prof. Harshavardhan V S** and **Prof. Rakesh Patil** registered for PG certificate course "**Cyber Security**" funded by AICTE from **July 01, 2024**.
3. **Dr. Ashik Bellary** attended AICTE funded 12 days FDP on Machine Learning from **July 01, 2024** in IISc Bangalore.
4. **Dr. Ashik Bellary** has successfully completed IUCEE international Engineering Educator Certification Program Spring 2024.
5. **Prof. Laxmi G Hattiholi** and **Prof. Rakesh Patil** attended online FDP on "**Advanced Technologies and Innovations for Automation in Infrastructure Engineering**" on **July 15 to July 20, 2024** organized by Department of Civil Engineering, Chaitanya Bharathi Institute of Technology, Hyderabad.
6. **Prof. Vijaylaxmi B V** Attended FDP on "**Recent Trends in Computational Sciences**" organized by Department of Statistics and Department of Mathematics, Amity University Kolkata from **July 22 to July 26, 2024**.
7. **Prof. Seema Basarikkati** Attended 3 – day online training program on "**Bhuvan Overview**" organized by **Indian Geo Platform of ISRO** during **July 10 to July 12, 2024**.
8. KLS VDIT is now life time member with **Indian Concrete Institute (ICI)**.

Department of Computer Science & Engineering

Workshops/FDPs/Conferences

1. **Dr. Poornima Raikar, Prof. Farzana Nadaf and Prof. Bhagat Inamdar** visited C-DAC centre, Hyderabad, as a part of Industry visit on **July 18 & July 19, 2024**.
2. **Prof. Bhagat Inamdar, Prof. Girish Shivanagudi** participated in two week STTP titled "**Research Methodology and Patent Filing**", from **July 08 to July 20, 2024**, organized by RSP Science Hub, Coimbatore
3. **Prof. Farzana Nadaf** conducted Technical Talk on "**Block chain technology**" for 4thsem CSE students on **July 26, 2024**.
4. **Prof. Nirmala G and Prof. Ekata Mahale** conducted one day workshop on "**How to design website using Word Press**" for 4th sem CSE students on **July 25, 2024**.

Events Organized

1. Department of CSE, Department of CSE (AIML) organized **AVINYA-2024 (Hackathon)** on **July 15, 2024**. Academicians and Industry experts were invited as Jury members. Participants actively involved in the event and presented their solutions to the predefined problem statements. Cash prize of Rs.5000 is given as first prize, Rs.3000 as second prize and Rs.1000 as third prize was offered to respective

winners. More than 300 students participated in the event.

2. Department of Computer Science & Engineering, organized an Industry Visit to **C-DAC, Hyderabad** on **July 18 & July 19, 2024**. The visit is mainly aimed for 6th semester students to provide an insight into the real working environment. Students interacted with professionals who explained about ongoing projects like Smart city, Automated Traffic System etc. being developed by C-DAC.

Department of Electrical & Electronics Engineering

Workshops/FDPs/Conferences

1. **Prof. Varaprasad Gaonkar** completed a coursera course on "Introduction to Data Analysis using Microsoft Excel" and attended hands on workshop on "Microsoft Azure AI Fundamentals".
2. **Prof. Rajeshwari Nanannavar** completed a coursera course on "Introduction to Data Analysis using Microsoft Excel".
3. **Prof. A.V.Kolaki** completed NEP 2020 orientation & Sensitization Programme organized by IIT Khanchepuram Chennai, from **18-28 July 2024**.
4. **Prof. Akshata Patil** completed an online coursera course on "Introduction to Data Analysis using Microsoft Excel" on **July 04, 2024**.

Events Organized

1. **Prof. Ravindra Motekar & Prof. Rajeshwari Nanannavar** has organized Alumni talk on "**Personality Development & Job Opportunities in Electrical Engineering Field**" to the 4th & 6th semester students of EEE department on **July 19, 2024**.

Mr. Muzammil Khan Kittur, Senior Control Design Engineer at Cartesian Kinetics, Bangalore, proud alumnus of EEE department (2014-18 passed out batch) was the resource person for the event.

2. **Prof. S. M. Inamadar** and **Prof. S .M. Hegde** coordinated for "**Skill Development Programme**" on **19 July 2024** and **85** students from Electrical and & Electronics Engineering participated for event . Prof. A.V.Kolaki welcomed the gathering. Resource persons **Mr. Satish Nadiger**, **Mr.S.B .Chavan** and **Mr. Ajit Dani** from Vijayalakshmi Gears Hubballi shared their knowledge to students about testing tools and electrical machines. Students benefitted from event .

Department of Electrical & Electronics Engineering

3. IEEE Student Branch of KLS VBIT has organized a technical talk on **"Empowering Women Engineers: From Innovation to Enterprise"** on **July 18, 2024** under IEEE WiE to celebrate International Women in Engineering Day. This technical talk was organized by **Dr. Arun L. Kakhandki**, IEEE SBC & sponsored by IEEE Mangalore Subsection. Resource person for the workshop was Ms. Chetana Sarang, Founder and CEO, **Dattamsh Edtech LLP., Belagavi.**

Department of Electronics & Communication Engineering

Workshops/FDPs/Conferences

1. **Prof. Nikhil Kulkarni** has participated in online **FDP** on the topic **"Research Paper Writing"** organized by **RFI-CARE** from **July 01 to July 08, 2024.**
2. **Prof. Rohini Kallur** has completed Two-Week **STTP** on **"Research Writing, Funding Proposal Development, and Patent Drafting"** which was organized by **Vidya Vihar Institute of Technology, Bihar, India & RSP Science Hub, Coimbatore, Tamil Nadu**, India in online mode from **July 08 to July 20, 2024.**
3. **Prof. Deepak Sharma, Prof. Rahul C. M, Prof. Pooja S** and **Prof. Sheetal M** have attended **Five days** online FDP on the topic **"Program on AI & Gen AI on Industrial application"** from **July 16 to July 20, 2024.** organized by Excel-IR, Bengaluru.
4. **Prof. Plasin Dias** has successfully completed the one week National level FDP on **"DATA ANALYTICS USING TABLEAU"** organized by Dept of Data Science, Mallareddy Engineering College for Women, Secunderabad from **July 15, 2024 to July 20, 2024** in online mode.

Department of Electronics & Communication Engineering

Events Organized

1. Institutions Innovation Council (IIC) & Department of Electronics and Communication Engineering jointly organized Impact Lecture Series (Grant in AID: IIC – MoE, Phase -1 2023 – 2024) entitled "**NURTURING LEADERSHIP POTENTIAL OF STUDENT INNOVATORS, ENTREPRENEURS ADOPTING IPR & DESIGN THINKING**" on **July 05, 2024**. Resource Person **Mr. Murali Anur, Director – Environix, Bengaluru** addressed the participants during the event.

This event was organized & conducted by **Dr. Mahendra M. Dixit, President IIC, Prof. & Head (E&CE)** and coordinated by **Prof. Suraj Kadli & Prof. Shree Gowri S S**. All Staff & Students Participated in the event.

2. On **July 3, 2024**, 40 Students from 4th Semester visited "**All Indian Radio, Dharwad**". **Prof. Rohini Kallur** and **Prof. Suraj Kadli** accompanied the Students during the Industrial Visit. "**Mr. Ravi Honnalli, Assistant Engineer, AIR Dharwad**" explained the students about various devices used in Radio Communication. This event was organized by **Dr. Mahendra M. Dixit, HoD E&CE Department**.

3. **Dr. Venkatesh Meda** Professor and Graduate Chair Department of Chemical and Biological Engineering (Food and Bioprocess Engineering) **University of Saskatchewan, CANADA** visited KLS Vdit on **July 10, 2024**, and appreciated the efforts taken by the Institute towards the growth of the aspiring Students.

Department of Electronics & Communication Engineering

Principal Dr. V. A. Kulkarni, all the Deans and HoDs of all Department were also present during the visit. This event was organized & conducted by **Dr. Mahendra M. Dixit, President IIC, Prof. & Head (E&CE).**

4. Institutions Innovation Council (IIC) & Department of Electronics and Communication Engineering jointly organized a Technical Quiz on the topic **“Microwave and Radar Communication”** on **July 09 & July 10, 2024.** For **6th Semester Students.** The event was organized & conducted by **Dr. Mahendra M. Dixit, President IIC, Prof. & Head (E&CE)** and coordinated by **Prof. Pooja S.**
5. Institutions Innovation Council (IIC) & Department of Electronics and Communication Engineering jointly organized a technical talk on the topic **“Synthesis and Simulation of Verilog”** on **July 16, 2024** for **4th**

Semester Students. The event was organized & conducted by **Dr. Mahendra M. Dixit, President IIC, Prof. & Head (E&CE)** and coordinated by **Prof. Rohini K and Prof. Shree Gowri S S.**

6. Institutions Innovation Council (IIC) & Department of Electronics & Communication Engineering jointly organized a **“Group Discussion”** for **4th Semester Students July 18, 2024.** The event was organized & conducted by **Dr. Mahendra M. Dixit, President IIC, Prof., and Head (E&CE)** and coordinated by **Prof. Sheetal N. Mindolkar and Prof. Ashwini Garaddi.**

7. Institutions Innovation Council (IIC), Department of Electronics and Communication Engineering and Department of Computer Science Engineering jointly organized a Hackathon entitled **“AVINYA 2024”**

Department of Electronics & Communication Engineering

on **July 15, 2024**. for the Students of KLS VDIT, Haliyal. The event was organized & conducted by **Dr. Mahendra M. Dixit, President IIC, Prof. & Head (E&CE)** and coordinated by **Prof. Plasin F. Dias**.

8. IEEE Students Branch of KLS VDIT has organized a expert technical talk on **"Empowering Women Engineers: From Innovation to Enterprise"** on **July 18, 2024** under **IEEE WiE** to celebrate **Women in Engineering Day**. This technical talk was sponsored by IEEE Mangalore Subsection.

Resource person **Ms. Chetana Sarang, Founder and CEO,**

DattamshEd tech LLP., Belagavi addressed about various benefits available for the Students in Publications through IEEE Platform. This event was coordinated by **Prof. Suraj Kadli, E&CE Department IEEE Student branch advisor.**

9. Institution's Innovation Council (IIC) & Department of Electronics and Communication Engineering KLS VDIT Haliyal organized a technical talk on **"Introduction to Pandas-Python"** on **July 25, 2024**, for 6th Semester ECE Students. This event was organized and conducted by **Dr. Mahendra M. Dixit, President IIC, Prof. & Head (E&CE)** and coordinated by **Prof. Vijayalaxmi Kalal** and **Prof. Raghavendra Nagaralli.**
10. Institutions Innovation Council (IIC) & Department of Electronics and Communication Engineering jointly organized a technical talk on **"HTML and CSS"** on **July 29, 2024** for of 6th Semester Students. The event was organized & conducted by **Dr. Mahendra M. Dixit, President IIC, Prof. and Head (E&CE)** and coordinated by **Prof. Anita M.Hanchinal.**

Department of Electronics & Communication Engineering

11. Institutions Innovation Council (IIC) & Department of Electronics and Communication Engineering jointly organized a technical talk on **“Applications of IOT”** on **July 29, 2024** for of 6th Semester Students. The event was organized & conducted by **Dr. Mahendra M. Dixit, President IIC, Prof. and Head (E&CE)** and coordinated by **Prof. Pavitra M. Badiger.**

2. **Ms. Virginia Peter Gonsalves** 6th Semester Student was the only Student who was shortlisted for the **“ACCENTURE INTERNSHIP PROGRAM”** which was held from **May 05, 2024 to July 07, 2024** at **Bengaluru.**

Student Achievement

1. Five 6th Semester Students of the Department namely **Ms. Vaishnavi S Kulkarni, Ms. Suhasini Phatak, Ms. Apoorva Deshpande, Ms. G Lalitha** and **Ms. Aishwarya Panishetty** have participated in **Q-Karyashala** Workshop on **“Quantum Technology”** organized by **Quantum Research Park** at **IISc Bangalore** from **June 24 to June 25, 2024.**

Workshops/FDPs/Conferences

1. **Dr. Shankar Badiger, Prof. RJ talapati, Dr. Shylesha Channapattana, Prof. Deepak Lokare, Dr. Gururaj Hatti Prof. Rajat Acharya and Prof. Naveen Hiremath** published a patent on "**Tea cup and wick type floating solar still**" on **July 26, 2024**. Application No. **202441055442 A**.
2. **Prof. Deepak Lokare** Completed "**Business Analysis & Process Management**" an online non-credit project authorized by Coursera project network and offered through Course-era in **July 2024**.
3. **Dr. Shylesha Channapattana** reviewed manuscript entitled "Assessing the Impact of Nahar Biodiesel Blends on CI Engine Behaviour: Performance, Emissions, and Combustion Characteristics" for International Journal of Ambient Energy. He also reviewed manuscript entitled "Advances in the Measurements of the Biodiesel Oxidative Stability" for the Biofuels Journal.
4. **Dr. Gururaj Hatti** attended two week online Short Term Training Program (STTP) on "**Mastering Research Writing & Intellectual Property: A Comprehensive Approach to Academic Success**" approved by ISTE, held during

July 08 to July 18, 2024, organized by Department of Mechanical Engineering at STES's Sinhgad College of Engineering, Pune, Maharashtra. Received a Certificate of Excellence in reviewing the papers of "Journal of Engineering Research and Reports".

Events Organized

1. 4th and 6th semester students participated in **AVINYA-2024 Hackathon**, a creative competition aimed at developing technological solutions for social sector problems on **July 15, 2024**, at the college. The event focused on leveraging chatbot, IoT technology, and other innovations to address problems in the health, agriculture, and environmental sectors.

2. Skill development program was conducted for the 4th & 6th sem students of Mechanical Engg. Department. on CNC machines & accessories, processing, CAD/CAM software exposure and recent

Department of Mechanical Engineering

developments in the field of manufacturing. **Shri Satish Nadiger, Shri Ajit Dani and Shri S. B. Chavan**, from **Vijayalaxmi Gears Hubli** were the resource persons for the event. The event was jointly conducted by Electrical Engineering Department & Mechanical Engineering Department on **July 19, 2024**.

3. The faculty of mechanical engineering, **Prof. Santosh Savanur, Prof. Rajat Acharya** and **Prof. Naveen Hiremath** have completed a one-week training program sponsored by **AICTE QIP** at **IIIT Dharwad** and **IIIT Raichur** from **July 16 to July 19, 2024**. This program aims to cover the basics of cyber

security/Machine learning over the next six months through both online and offline modes.

4. **Dr. Gururaj Hatti** and **Dr. Anant G Joshi** were invited to adjudicate the projects of project exhibition conducted at **DIVT Haliyal** on **July 04, 2024**. The innovative projects in the field of automobile, air conditioning, mechanical machineries, dress making, and earth moving equipment were exhibited during the event.

Department of Basic Science & Humanities

1. **Dr Sneha S Kulkarni** successfully completed **“Faculty development program on qualitative and quantitative research design in higher education”** conducted from **June 27 to July 5, 2024**, organized by **European International Research Council and Research University, USA.**
2. **Dr Sneha S Kulkarni** successfully completed **“International workshop on research manuscript drafting and patent filing process”** conducted from **July 13 to July 20, 2024**, organized by **European International Research Council and Research University, USA.**
3. **Dr S M Galagali** has participated in one day **workshop** for faculties on **“Temples as social institutions”** organized by **Anantha Chetana** in association with **AICTE-IKS Shikshak Prashikshan kendram** on **July 13, 2024.**

Distinguished Alumni

Ms. Amruta N

**Ms. Amruta N,
AEM Developer,
Deloitte USI, Bengaluru,
Batch: (2012-2016)
Department of Electronics &
Communication Engineering**

Ms. Amruta N completed her Bachelor of Engineering in Electronics and Communication Engineering in 2016. Since then, she has built a strong career in the industry, leveraging her technical expertise and problem-solving skills. In 2018, she joined Deloitte USI in Bengaluru, where she has been serving as a Consultant. Over the years, she has contributed to various projects, demonstrating her ability to navigate complex challenges and deliver impactful solutions. Her experience at Deloitte has further honed her professional acumen, making her a valuable asset to the team and a respected professional in her field.

Distinguished Alumni

Ms. Ramya H. Kallangoudar

Ms. Ramya H. Kallangoudar
Technical Project Manager
Schneider Electric
Batch: (2020-2024)
Department of Computer Science
& Engineering

Er. Anand, an esteemed alumnus of the Civil Engineering Department, currently works as a consultant at COWI Pvt Ltd, specializing in the field of underground and tunnel engineering. His impressive career is marked by significant contributions to several high-profile projects across the globe. He has been involved in the KAAR Project in Saudi Arabia, where he applied his expertise to complex underground infrastructure. In Qatar, he worked on the MPSO project, demonstrating his skills in managing intricate tunneling operations. His experience extends to the UK, where he contributed to the HS2 project, one of the country's largest and most ambitious high-speed rail initiatives. Additionally, Er. Anand has made substantial contributions to the CRL project in Singapore, which is a major transportation development.

Ms. Ramya H. Kallangoudar, a distinguished alumna of the CSE Department from the 2020-2024 batch, has achieved an impressive milestone by securing a placement at Schneider Electric with a package of 5.5 LPA. Her success is a testament to her unwavering dedication, exceptional talent, and relentless perseverance throughout her academic journey. As a student, Ms. Ramya consistently demonstrated a strong commitment to her studies, excelling in both her coursework and extracurricular activities. Her ability to tackle complex challenges and her passion for technology have been key drivers of her success. This remarkable achievement not only highlights her individual accomplishments but also brings great pride to the institution.

Er. Anand Arun Patil

Er. Anand Arun Patil

COWI Pvt Ltd., Bangalore
Batch: (2010-2014)
Department of Civil Engineering

Distinguished Alumni

Mr Swapnil Dhabale

Mr Swapnil Dhabale
Senior Project Engineer

GMJ Sytem & Automation Pvt Ltd., Pune
Batch: (2015-2019)
Department of Mechanical Engineering

Mr. Muzammil Khan Kittur, an accomplished alumnus of the Electrical & Electronics Engineering department who graduated in 2018, has built a notable career in the engineering field. He began his professional journey as a Testing Engineer at Diagnostic Technologies, where he honed his technical skills. He then progressed to L&T Technologies in Pune, taking on the role of Senior Testing Engineer. Currently, he is working as a Senior Control Design Engineer at Cartesian Kinetics in Bangalore, where he continues to make significant contributions to the field. On 19th July 2024, Mr. Kittur returned to his alma mater to share his insights and experiences, delivering a talk on "Personality Development & Job Opportunities in Electrical Engineering Field" to the 4th and 6th semester students of the EEE department

Mr. Swapnil Dhabale, a distinguished alumnus from the 2019 batch of the Mechanical Engineering Department, has built a successful career as a Senior Project Engineer at GMJ System and Automation Pvt. Ltd. in Pune. His journey from a dedicated student to a key professional in the automation industry reflects his deep technical expertise, strong work ethic, and the solid foundation he received during his time at our institution. Known for his hands-on approach and innovative mindset, Mr. Dhabale now plays a crucial role in overseeing complex projects and delivering advanced engineering solutions. His achievements not only bring pride to the Mechanical Engineering Department but also serve as an inspiration to current students.

Mr. Muzammil Khan Kittur

Mr. Muzammil Khan Kittur
Senior Control Design Engineer
Cartesian Kinetics, Bangalore

Batch: (2014-2018)
Department of Electrical & Electronics
Engineering

Alumni Homecoming

As part of our recent alumni homecoming event, we were delighted to welcome back **Mr. Muzammil Khan Kittur**, a notable alumnus from the Electrical & Electronics Engineering department, class of 2018. Since graduating, Mr. Kittur has built a successful career, starting as a Testing Engineer at Diagnostic Technologies, advancing to Senior Testing Engineer at L&T Technologies in Pune, and currently serving as a Senior Control Design Engineer at Cartesian Kinetics in Bangalore. On 19th July 2024, he returned to his alma mater to deliver an inspiring talk on "Personality Development & Job Opportunities in the Electrical Engineering Field" to the 4th and 6th semester students. His visit highlighted the strong bond between our alumni and the institution, offering valuable insights and motivation to the next generation of engineers.

Kargil Vijay Diwas

Kargil Vijay Diwas is celebrated every year across the country on **July 26** to pay tribute to the bravery and valor of the Indian soldiers who made the ultimate sacrifice for the country during the Kargil War in 1999. KLS Vishwanathrao Deshpande Institute of Technology in association with National Service Scheme unit celebrated Kargil Vijay Diwas by felicitating Ex-Army servicemen **Shri. Vittal Mukund Junjwadkar** for their contribution to the nation. Miss. Srushti Sugate presented the patriotic song during the event.

ECO CLUB Activity

KLS VDIT ECO Club organized **WRINKLE Day Energy Swaraj Foundation** joined as **NON-IRONED** cloth challenge starting from **July 15, 2024**.

KLS V DIT

Hallyal, Uttara Kannada Dist. Karnataka - 581329
"Transforming Through Technology"

Affiliated to VTU
Approved by AICTE
2F Recognized by UGC

2024-25
ADMISSIONS OPEN

UNDERGRADUATE PROGRAMS

- B.E. in Civil Engineering
- B.E. in Computer Science & Engineering
- B.E. in Computer Science & Engineering (AI & ML)
- B.E. in Electrical & Electronics Engineering
- B.E. in Electronics & Communication Engineering
- B.E. in Information Engineering

Post Graduate Programs

- M.Tech in Industrial Engineering
- M.Tech in Thermal Power Technology

Ph.D. Research Centers

- Material & Metallurgical Physics
- Mechanical Engineering
- Research & Development Engineering
- Automation & Communication Engineering
- Computer Science & Engineering
