Mr. Samarth Patil

Mr. Samarth Patil
5G NR Modem Engineer
Qualcomm, Bangalore
Department of Electronics and
Communication Engineering
(Batch: 2017-2021)

Mr. Samarth Patil completed his Bachelor of Engineering in Electronics and Communication Engineering in **2021**. During his academic tenure, he developed strong foundations in communication systems, signal processing, and wireless technologies. His passion for cutting-edge communication solutions led him to join Qualcomm, Bangalore, where he is currently working as a 5G NR Modem Engineer. In this role, he contributes to the design, development, and optimization of next-generation mobile communication technologies, playing an active part in advancing high-speed, low-latency wireless connectivity."

Mr. Anup Namdev Bulbule, alumni of the 2017 batch from the Department of Electrical and Electronics Engineering, is currently serving as a Site Incharge at Mahindra Teqo Private Limited, Ilkal. With 8 years of rich industry experience, he has developed strong expertise in solar power project execution, site management, and electrical system operations. His leadership at project sites has played a crucial role in ensuring timely completion and quality assurance of renewable energy installations. Anup's professional journey reflects dedication, technical acumen, and a deep commitment to sustainable energy solutions.
