Our Deepest Condolences

ಭಾವಪೂರ್ಣ ಶ್ರದ್ಧಾಂಜಲಿ

ಶ್ರೀ. ಎಂ. ಆರ್. ಕುಲಕರ್ಣಿ

With profound grief, we pay homage to the revered former management member of our institution, **Shri. M. R. Kulkarni** who left for the heavenly abode on August 19, 2025. His invaluable guidance and unwavering commitment will be remembered with deep respect and gratitude. His vision, guidance, and dedication have played a vital role in shaping the growth and success of our institution. His contributions will always be cherished, and his noble legacy will continue to inspire us.

Department Activities

Department of Civil Engineering

Events Organized

1. Department of **Civil Engineering** and **Electronics and Communication engineering**, in collaboration with **ICI, IIC and ACES** successfully organized a technical talk on **"Avenues in Technology and Industry Challenges"** by Dr. Ram pant, Manager Structural repairs, Fosroc Chemicals Saint Gobain, Mumbai. This event was coordinated by **Prof. Harshavardhan V S** and **Prof. Rakesh P.**

2. Department of Civil Engineering organized an **alumni interaction session** on **August 25, 2025** for the **5th and 7th semester students**. The session was conducted by **Mr. Prajwal Agadi, GATE-2025 QUALIFIED** alumnus of batch **2020-24**, currently pursuing **M.Tech at NITK Surathkal**. This activity coordinated by **Prof. Vijaylaxmi B V.**

3. Department of Civil Engineering organized a field visit to the **"Water Treatment Plant at Javalli"** for **5th and 7th semester students**. The field visit was coordinated by **Prof. S. G. Hiremath** and **Prof. Seema R. B.**

Staff Achievement

1. **Prof. Vijaylaxmi B V** attended Six days online FDP on **"Next-Gen Manufacturing: Embracing Industry 4.0"** through ATAL Academy from **August 25 to August 30 2025** organized by **Ashokrao Mane Group of Institutions, Kolhapur.**

Department of Civil Engineering

2. **Prof. Vijaylaxmi B V** attended two days International Workshop on “**AI Tools for Literature Review**” from **August 30 to August 31, 2025** organized by **Manuscriptpedia**.

Department of Computer Science & Engineering

Events Organized

1. Department of CSE and CSE-AIML joined **ACM Community** and **KLS VEDIT student Chapter** of Haliyal Region was Chartered officially on **August 18, 2025** with chapter Id-200565.
2. Department has organized 100 Hours Intensive Training Program on “**UI/UX Developer**” in association with ICT Academy for CSE and CSE-AIML Students from **August 11 to 29, 2025**.

Staff Achievement

1. **Dr. Venkatesh Shankar**, Attended Five Days International level FDP on “**Recent Advances in Smart Grid and Renewable Energy Integration**” from **August 02 to 06, 2025**.

2. **Dr. Venkatesh Shankar**, Attended one Day Quantum Teaching Lab Proposal Writing at VTU-VRIF-TCOE Centre on **August 22, 2025**.
3. **Prof. Vijet Swadi** conducted one Day Technical Talk on “**React JS and Angular JS**” on **August 29, 2025**.
4. **Dr. Venkatesh Shankar**, Attended one Day International Workshop on “**The Intelligent Horizons: The Role of AI in Education and Research**” on **August 11, 2025**.
5. **Dr. Shrinivas Sirdeshpande** attended one month masterclass on “**Prompt Engineering**” from **July 25 to August 24, 2025**.
6. **Prof. Pranesh Kulkarni** Attended 5 days hands-on training program on “**NVIDIA GPU Computing**” at KLS GIT, Belagavi from **August 18 to 22, 2025**.

Department of Electrical & Electronics Engineering

Staff Achievement

1. **Dr. Arun Kakhandki** published a paper entitled "Image processing based robust detection of density and weaving pattern of fabric" in The Journal of the Textile Institute, Q2 journal indexed in Scopus, published by Taylor & Francis, ISSN: 0040-5000 (Print) 1754-2340 (Online), <https://doi.org/10.1080/00405000.2025.2547558>

2. **Dr. Arun Kakhandki, Prof. Rajeshwari N., Prof. Varaprasad Goankar, Prof. Subrahmanya Hegde, Prof. Ravindra Motekar, Prof. Kirankumar H., and Prof. Sheetal N. Mindolkar** has attended a **Five days International FDP (online) on "Recent Advances in Smart Grid and Renewable Energy Integration"** organized by Dept. of EEE, **Acharya Institute of Technology, Bengaluru**, in association with **IEEE Bangalore Section** and **IEEE Systems Council** held during from **August 02 to 06, 2025**.

3. **Prof. Sheetal N. Mindolkar** has successfully completed the online **2 weeks FDP on Electric vehicle** organized by **SkillDzire** in collaboration with **AICTE** from **August 04 to 16, 2025**.

4. **Prof. Ravindra Motekar** reviewed the manuscript titled "**Statistical and wavelet analysis of solar energy potential at**

midhill and lowland region: Nepal experience" on **August 11, 2025** which has been submitted to **International Journal of System Assurance Engineering and Management**

Events Organized

1. **Industrial visit:** A group of **53 students** from the **5th semester** visited **Advaita Electric Industry, Haliyal** on **August 25, 2025**

During the visit, students gained insightful knowledge about the electric motor rewinding process. Rewinding involves removing all the existing windings wires placed within the stator of the motor, which generate the magnetic field required to drive the rotor and enable motor function. The event was coordinated by **Prof. Deepak V. Lokare** and **Prof. Kirankumar H.**

Department of Electrical & Electronics Engineering

2. The Department of **Electrical and Electronics Engineering, KLS VBIT, Haliyal**, organized an **Alumni Talk** on **August 30, 2025**. The session was titled **“Shaping the Future: Where Software Meets Industry”** by **Mrs. Aishwarya Halasagi**, a proud alumna of **2017-2021** batch currently working as **Associate Consultant at Infosys, Hubballi**. The talk was conducted virtually via Google Meet at **11:00 AM**. Mrs. Halasagi shared valuable insights about the evolving role of software in various industrial domains. She emphasized how EEE students can leverage software skills to enhance their career prospects.

The session highlighted real-world applications and integration of software tools in the electrical industry. Students were motivated to pursue additional certifications in trending technologies like Python, AI, and

IoT. Mrs. Halasagi also shared her journey from college to Infosys, inspiring current students to aim high. Interactive discussions helped bridge the gap between academic learning and industry expectations. Students gained clarity on career paths involving software development within the EEE domain. The event was coordinated by **Prof. Sheetal N. Mindolkar**.

3. To impart the practical exposure, **7th semester** students of **EEE department** were taken to **Rooftop Solar PV Plant** to study the working of on-grid system, design of strings and inverter connection on **August 30, 2025**. Also students have understood the recabling work of Rooftop Solar PV Plant on **Main Building, KLS VBIT, Haliyal**. The event was coordinated by **Prof. Kirankumar H. & Mr. Mahabaleshwar P.**

Student Achievement

1. **11 Students** from **1st year (2nd semester)** have scored **above 75%** in VTU examination held during **AY 2024-25**.

Department of Electronics & Communication Engineering

Events Organized

1. Department of E&CE in association with IIC Conducted a Session entitled **“Unlocking Your Potential: The Key to Personal and Professional Growth”** on **August 04, 2025**. The Resource person **Shri. Mahendra G. Kelkar, Former Executive Director (HR & Knowledge Management), Nuclear Power Corporation of India Ltd. (NPCIL), Mumbai** emphasized on importance of setting a deadline for every goal in a professional manner. This event was Organized by **Dr. Mahendra M. Dixit, President IIC, Prof. & Head (E&CE)** and coordinated by **Prof. Deepak Sharma.**

2. In view of **79th Independence Day Celebration**, Dept. of E & CE in association with IIC have successfully conducted **Competitions** namely **Fine Arts, Rangoli, Speech and Singing** from **August 11 to 13, 2025**. These events were Organized by **Dr.**

Mahendra M. Dixit, President IIC, Prof. & Head (E&CE) and coordinated by **Dr. Nagraj Bhat, Prof. Rohini K, Prof. Vijayalaxmi K, Prof. Pavitra B, Prof. Anital H, Prof. Jyoti Kammar, Prof. Rajeshwari P. and Prof. Ashwini G.**

3. **Prof. Deepak Sharma and Mr. Samarth Patil, Alumnus, Qualcomm India Pvt. Ltd.** conducted a **Mock Interview** for **final year Students** in online mode on **August 9, 2025** targeting the **Core Industries.**

Department of Electronics & Communication Engineering

4. Department of E&CE in association with IIC Conducted a Session entitled **"Ignite Your Engineering Career: Strategies for Success – A Research Perspective"** on **August 29, 2025**. The Resource person **Shri. S. A. Katti, Outstanding Scientist & Director (Retd.), ITM, DRDO, Ministry of Defence, Govt** addressed both Staff and Students of VDIT about Research opportunities in defence sector. This event was Organized by **Dr. Mahendra M. Dixit, President IIC, Prof. & Head (E&CE)** and coordinated by **Prof. Rajeshwari P.**

5. **IEEE Student branch of KLS VDIT** organized a **One Day hands on workshop on PCB designing** on **August 30, 2025**. Resource person for the event was **Mr. Vaibhav Sugandhi Founder & CEO, E-Artkey Innovation Pvt. Ltd., Hubli**. Total 40 Students from E&CE participated in the Workshop learning Hardware Design through PCB.

6. **One Day Industrial Visit to "DocketRun Tech. Pvt. Ltd., Hubballi"**, on **August 26, 2025** for **28 Students of Final Year Students** was Organized by **Dept. of E & CE in association with IIC**. This event was organized by **Dr. Mahendra M. Dixit, President IIC, Prof. & Head (E&CE), Prof. Vijayalaxmi C. Kalal and Prof. Raghavendra N** have successfully coordinated the event, During the visit **Mr. Ajay S Kabadi, Founder and CEO**, welcomed the visitors and presented Company overview, **Mr. Krishna Katigar, Junior Software Engineer**, explained the Students about AI System with **Technical Demonstrations**.

Department of Electronics & Communication Engineering

Staff Achievement

1. **Prof. Deepak Sharma** successfully participated in **ANRF Sponsored Hands on "CAD Workshop - Mastering Devices and Circuit Simulations"** organized by **IIIT, Dharwad** from **July 28 to August 01, 2025**.
2. **Prof. Sudheendra Yalagur** has successfully participated in **Five Days FDP on "Applications of AI in Electrical Engineering"** organized by **Presidency University, Bengaluru** from **July 28 to August 01, 2025**.
3. **Dr. Mahendra M. Dixit**, has successful attended International Workshop on **"The Intelligent Horizons: The Role of AI in Education and Research"** on **August 11, 2025** at **VTU Regional office, Nagarbhavi, Bengaluru** in collaboration with **Xtrans Solutions, CA, USA & Bengaluru, India**
4. **Dr. Meenal Kaliwal**, has successfully completed Online Coursera Course on **"Statistics for Data Science"** on **August 16, 2025** authorised by Coursera Project Network.
5. **Prof. Rohini Kallur** has participated in **Five-Days National Level FDP on "Interdisciplinary Applications of Computer Science in Healthcare and Education"**, **August 18 to 22, 2025** in Online Mode organized by **Smt. Geeta Maa Foundation (Education & Healthcare Trust), West Champaran, Bihar**.
6. **Prof. Pavitra M. Badiger, Prof. Anita M. Hanchinal, Prof. Jyoti Kammar, Prof. Rajeshwari P, Prof. Ashwini Garaddi** have successfully completed **Online Five Days FDP on "Recent Advances in Smart Grid and Renewable Energy Integration"** Organized by **Dept. of EEE, Acharya Institute of Technology Bangluru** in association with **IEEE Banglore section and IEEE Systems Council** from **August 2 to 6, 2025**.
7. **Prof. Pooja Shindhe** Successfully completed Online- **Six Days ATAL FDP** on **"Next-Gen Manufacturing: Embracing Industry 4.0"** **August 25 to 30, 2025** which was organized by **Ashokrao Mane Group of Institutions**.
8. **Prof. Deepak Sharma** successfully participated & completed **AICTE Training And Learning (ATAL) Academy FDP** on **"Next-Gen Manufacturing: Embracing Industry 4.0** organized by **SHRI BALASAHEB MANE SHIKSHAN PRASARAK MANDAL'S ASHOKRAO MANE GROUP OF INSTITUTIONS"** from **August 25 to 30, 2025**.

Department of Electronics & Communication Engineering

9. Prof. Raghavendra Nagaralli has successfully completed **Five Days "NVIDIA GPU Training"** held at **KLS GIT, Belagavi** from **August 18 to 22, 2025**.

10. Dr. Meenal Kaliwal has attended **One Day FDP** on **"Applied Mathematics (Scheme – 2025)"** on **August 30, 2025** at **AITM, Belagavi**.

Patent

1. A **Patent** entitled **"VANYARAKSHAK: Intelligent System Approach to Intrusion and Rain Detection in the Forest"** is filed by **Dr. Mahendra M. Dixit, Prof. A. V. Kolaki, Prof. Nikhil K, Prof. Deepak Sharma** and **Ms. Girija Y [Final Year PG Student]** on **August 22, 2025**.

Department of Mechanical Engineering

Staff Achievement

1. **Dr. K. S. Pujari** published a paper **"Development and experimental investigation of a novel filler material for MIG welding of AA7075-T6 aluminum alloy for aerospace application"** **Welding International, Taylor & Francis, 2025**.
2. **Dr. Shylesha Channapattana** published a paper **"Advanced Diagnosis of Bearing Defects: A Multi-Domain Approach"** in **International Journal of Mechanical Engineering and Robotics Research, Vol. 14, No. 4, 2025**.
3. **Dr. Shankar Badiger, Dr. Anant Joshi, Dr. Gururaj Hatti** and **Prof. Naveen Hiremath** published a patent on **"A modified inverse diffusion flame jet burner with 90 degree fuel jets"** dated **August 22, 2025**.

4. **Dr. Anant Joshi, Dr. Shankar Badiger, Prof. Gurunath Mewundi** and **Prof. Naveen Hiremath** published a patent on **"Natural Fiber Integration in Synthetic Fiber Lamina for Improved Properties and Reduced Weight"** dated **August 15, 2025**.
5. **Dr. Anant Joshi** and **Dr. Shankar Badiger** published a patent on **"System and Method for Predicting the Lifespan of Worm Gears Using Sensor-Based Condition Monitoring"** dated **August 15, 2025**.
6. **Dr. Shankar Badiger** completed a five-day comprehensive workshop on **"Fluid Flow and Heat Transfer Research"** organized by **Department of Mechanical Engineering, NIT Rourkela** in **July 2025**.
7. **Dr. Shankar Badiger** participated in a National Level 5-Day online workshop on

Department of Mechanical Engineering

"Intellectual Property" conducted from **August 18, 2025 to August 22, 2025.**

8. **Prof. Deepak Lokare** has taken a "Say No to Drugs" pledge, committing to stay away from drug abuse and maintain a sober, healthy lifestyle.
9. **Dr. Gururaj Hatti** participated in the Five Day National Faculty Development Program on topic "**Bloom's Taxonomy in Designing CO and Assessment Tools**" organized by Internal Quality Assurance Cell in association with Department of Electrical Engineering of **Greater Kolkata College of Engineering & Management** from **August 04, 2025 to August 08, 2025.**
10. **Dr. Gururaj hatti** is acknowledged by the **Journal of The Institution of Engineers (India): Series C** for his valuable service in evaluating the article titled "Assessment of Posture Related Risks among Goldsmiths using Rapid Upper Limb Assessment (RULA) and Rapid Entire Body Assessment (REBA)", contributing to maintaining the high standard of the journal. He has been awarded a **Reviewer Certificate** by **Springer Nature** – Scientific Reports in recognition of his contribution to reviewing a manuscript in 2025.
11. **Prof. Gurunath Mewundi** completed **coursera certification** on "Introduction

to Data analysis using Microsoft excel" dated **August 30, 2025.**

Student Achievement

1. Final year students have participated in the 48th Series Student Project Program – Annual State Level Poster Presentation and Project Exhibition, held on **August 01, 2025** and **August 02, 2025** at **Jawaharlal Nehru National College of Engineering (JNNC), Shivamogga.** The event was organized by the **Karnataka State Council for Science and Technology (KSCST)**, showcasing innovative student projects through poster presentations and exhibitions

Department of Mechanical Engineering

Events Organized

1. 5th semester students accompanied by **Prof. B. B. Patil** visited **Airtech Pvt. Ltd., Dharwad** on **August 21, 2025** and observed the manufacturing of various types of Chucks and Rotary Cylinders. Industrial visit enhanced their understanding of industrial processes and product applications.

Department of Basic Science & Humanities

Staff Achievement

1. **Dr Sneha S Kulkarni, and Dr Gurunath S Kurdekar** participated one day FDP on **APPLIED CHEMISTRY** organized by **VTU** in association with **Jain College of Engineering & Research, Udyambag, Belagavi** on **August 30, 2025**.
2. **Dr Sameer M Galagali, Dr M S Sannaikar and Dr M K Patil** participated in one day FDP on **APPLIED PHYSICS** organized by **VTU** in association with **S G Balekundri Institute of Technology, Belagavi** on **August 30, 2025**.
3. **Dr Sameer M Galagali** participated in Industry organized one day **online workshop computerized Physics Experiments** conducted by Master Scientific Instruments in association with CSPARK Research on **August 23, 2025**.
4. **Dr Sameer M Galagali** has participated

in FDP on **“Density Functional Theory Computations of Advanced Materials (DFT-Advanced)”** organized by the **Centre for Advanced Computational Research, Delhi** from **August 8 to August 17, 2025** online mode.

5. **Dr M S Sannaikar** has published research article on **“Spectroscopic Analysis and Energy Transfer from Synthesized AgSnS₂ Nanoparticles to Cresyl Violet Dye”** in **Luminescence Journal Wiley Publication**, in **July 2025**.
6. **Dr Sneha S Kukarni** has published research article on **“Evaluation of skin penetration and systematic absorption of Nano carrier- Based Antifungal Formulations: A bio analytical approach”** in **Journal of Applied Bioanalysis August 2025**, Vol 11, No4. ISSN 2405-710X

Department of Basic Science & Humanities

7. **Dr Sneha S Kulkarni** has participated in FDP on “**Advanced thesis, manuscript and patent Drafting with Ethical Integration of AI**” organized by Eudoxia Research University USA and Eudoxia Research Centre, Bangalore In association with IISc from **August 16 to August 23, 2025.**

Graduation Day Celebration

Graduation day was celebrated in KLS Vdit on **August 04, 2025.** More than 250 students received their certificates in the gracious presence of dignitaries and parents. **Mr. D.J. Das Founder & CEO Thirdeye Data, California(US), Mr. Debbarata Das, CTO, CohnReznick LLP, US, Shri. M. G. Kelkar, former executive director, NPCIL Mumbai** graced the occasion as chief guests. **Shri. Prashant Kulkarni, chairman GC, KLS Vdit, Shri. Ram Bhandare, member GC, KLS Vdit, Dr. V. A. Kulkarni, Principal KLS Vdit** , all the deans and staff members wished the students for prosperous career in their respective endeavors.

Independence Day Celebration

On **August 15, 2025**, KLS V DIT commemorated India's 79th Independence Day with immense enthusiasm and pride. **Principal Dr. V. A. Kulkarni** hoisted national flag and paid homage to the freedom fighters who dedicated their lives for India's independence. His address highlighted the institution's achievements over the past year and outlined the development plans for the upcoming year. Students and staff actively participated in various cultural events that invoked a deep sense of patriotism among all attendees. The celebration also recognized and felicitated achievers and winners of various events, acknowledging their dedication and excellence.

National Sports Day

KLS VEDIT joyfully celebrated **National Sports Day** on August 29, 2025, highlighting the importance of health, mindfulness, and overall well-being through the enriching practice of physical activity. The event saw felicitation of **Kavya T D, National Level wrestler** and also a enthusiastic participation from students, faculty, and staff, creating a sense of inner peace and togetherness.

Cultural Carnival

1. **Spic Macay Heritage** of KLS VEDIT organized an event "**Hindustani Vocal by Shri Pandit Kumar Mardur**", **Ustad Bismillah Khan Yuva Puraskar Awardee** accompanied by **Shri Satlingappa Desai Kallur, Tabla Mastero** from Gulbarga and **Shri Basu Hiremath, Talented Hrmonium artist** from Dharwad on **August 21, 2025** at Visvesvaraya Seminar Hall. Event not only celebrated the essence of Indian Classical music but also filled Spic Macay's vision of cultural

enrichment for students and society at large.

2. On the eve of **Ganesh Chaturthi**, **Ganesh Vandana – Sangeetotsava** was

Cultural Carnival

joyously celebrated at KLS VDIT, Haliyal on **August 28, 2025**. Both students and staff members came together to present soulful Ganesh Stuti and devotional songs, creating a divine and cultural ambiance on the campus.

On this occasion, **Prof. S. D. Kulkarni** highlighted the importance of Ganesh Chaturthi and its relevance in invoking wisdom, prosperity, and auspicious beginnings. The **Principal Dr. V. A. Kulkarni** addressed the gathering, encouraging students and staff to uphold cultural values and seek Lord Ganesh's blessings for success in their academic and personal lives.

The event was coordinated by **Dr. Sneha S. Kulkarni**, while the program was gracefully anchored by **Prof. Rohini K.** The celebration reflected the spirit of devotion, unity, and cultural richness at KLS VDIT.

(Batch: 2017-2021)

Mr. Sharat Doddamallappanavar completed his Bachelor of Engineering in Electronics and Communication Engineering from VBIT, Haliyal, in 2021. After completing his degree, he transitioned into the software development field and is currently working as a Dot Net Developer at Tata Consultancy Services (TCS) in Bengaluru. His academic background in electronics and communication engineering, combined with his professional experience in software development, has allowed him to develop a diverse skill set. At TCS, he is involved in the design and development of .NET-based applications. Mr. Sharat is passionate about leveraging his technical expertise to contribute to innovative solutions in the software industry.

Mr. Vinay K. Naik, a distinguished alumnus of the 2019 batch from the Department of Electrical and Electronics Engineering, is currently working as Senior Engineer 2 at Andre, an Amphenol Company, Goa. With over 5 years of professional experience, he has gained extensive expertise in electrical design, testing, and manufacturing processes. His contributions have played a significant role in driving innovation and quality within the organization. Vinay's strong technical foundation and consistent performance highlight the capabilities of EEE graduates in high-end engineering roles. His professional journey continues to inspire students to pursue excellence in a competitive industrial landscape.
