Department of Computer Science & Engineering

A report on

Industry Visit to Infosys Ltd, Mysore

Date of Visit: 30th October 2025

Venue: Infosys Global Education Centre, Mysuru

The Department of Computer Science and Engineering, **KLS VDIT**, organized an Industrial Visit to the **Infosys Training Campus, Mysuru** for the 7th-semester students as part of its academic–industry interaction initiative.

A total of **26 students** actively participated in the visit. The objective was to bridge the gap between academic learning and industrial practices, enhance students' understanding of corporate work culture, and expose them to cutting-edge technologies used in the IT sector.

During the visit, students had the privilege of interacting with **Mr. Sundar, Recruitment Head at Infosys**, who delivered an insightful session on facing interviews, enhancing technical competencies, communication skills, and career growth in the IT industry. He emphasized the importance of **logical thinking, continuous learning, and adaptability** to emerging technologies.

Students also got an opportunity to explore the vast **Infosys Global Education Centre**, one of the world's largest corporate training facilities, and understand how large-scale IT organizations manage their training, recruitment, and development processes.

Key Takeaways:

1. **Corporate Exposure:** Students gained firsthand experience of the professional environment and organizational structure of a leading IT company.
2. **Interview and Career Guidance:** Understood the key aspects of placement interviews and how to align academic learning with industry expectations.
3. **Technical Skill Development:** Emphasis on mastering core programming concepts, problem-solving skills, and emerging technologies like AI, Cloud, and Data Analytics.
4. **Soft Skills and Ethics:** Understood the importance of teamwork, communication, and ethical conduct in professional life.
5. **Industry-Academia Connection:** Realized how academic curriculum contributes to real-world applications in the IT industry.

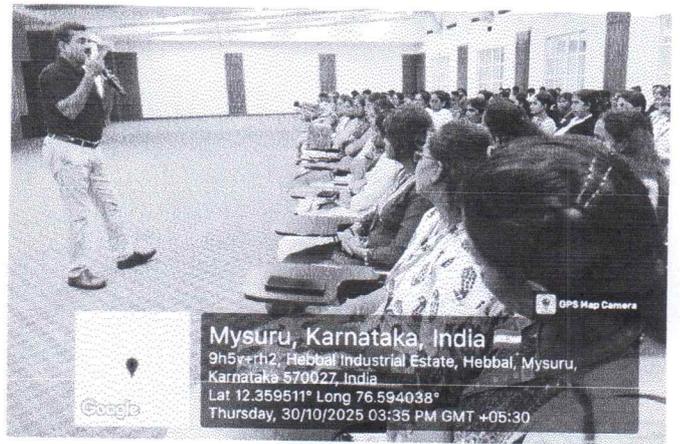

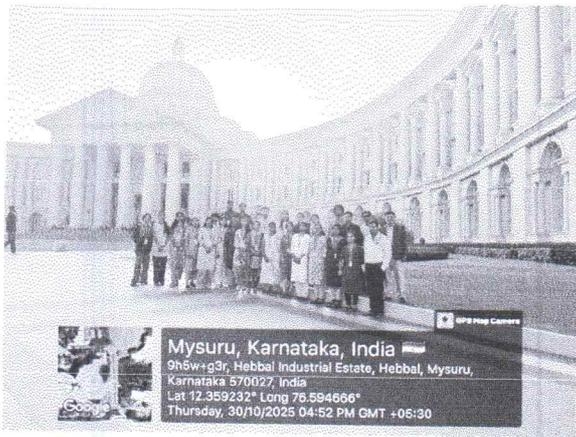

Conclusion:

The industrial visit to **Infosys Ltd., Mysuru**, by the **7th semester students of the Department of Computer Science and Engineering, KLS VEDIT, Haliyal**, motivated students to enhance their technical skills, understand corporate culture, stay updated with industry trends, and build networking opportunities for their future careers.
