A report on

Technical Talk on “*Importance of AI Agents in Software Development*”

Date: 08/09/2025

Venue: LAB 5 and 6

Target Audience: 100 Students from 7th semester, CSE and CSE-AIML Department, KLS VEDIT, Haliyal.

Resource person:

Mr. Shravankumar Honnapur
Senior Software Engineer
Aris Global, Bengaluru

Introduction:

The Computer Science and Engineering and CSE-AIML Department of KLS VEDIT Haliyal organized a Technical Talk on “Importance of AI Agents in Software Development” for the students of CSE and CSE-AIML department. The Technical Talk is aimed to familiarize students with AI Agents, Chat GPT, best practices to be followed, recent advancements and Job opportunities. The event was designed to inspire lifelong learning among students.

Key Takeaways:

1. Basics and Importance of AI Agents

Students were introduced to Key terminologies of Agentic AI, gaining insights into its fundamentals and invoking Agentic AI's

2. Recent advancements in Artificial Intelligence

The talk emphasized on new technologies in AI and new trends in recent years.

3. Job opportunities.

The session also covered, what are the different roles in IT, different Certifications students can undergo which are having Industry recognition.
