Mechanical Engineering Department

Report on Technical talk

By

Mr. Suresh Kshirsagar, Senior Manager, WCPM, Dandeli

Date: 15/09/2025

On the occasion of Engineers' Day celebrated on 15th September 2025, the Department of Mechanical Engineering, KLS VDIT, Haliyal, organized a technical talk for the students. The event aimed to honor the contributions of Bharat Ratna Sir M. Visvesvaraya and to inspire budding engineers by connecting classroom learning with industrial practices. Total 70 students were present from 3rd and 5th semester Mechanical Engineering.

Session Highlights

The resource person for the talk was Mr. Suresh Kshirsagar, Senior Manager, WCPM, Dandeli, and a proud alumnus of KLS VDIT from the 2022 M.Tech batch. He delivered an expert lecture on "Operation and Maintenance of Boilers and Turbines."

In his address, Mr. Kshirsagar emphasized the need for students to inculcate the noble values of Sir M. Visvesvaraya. He advised students to adopt commitment, hard work, and sincerity as key qualities to achieve success in any profession.

He also briefed the gathering about the present challenges and scope in the process industry, shedding light on the expectations and opportunities for mechanical engineers in modern industrial environments. Further, he elaborated on the operational and maintenance aspects of steam boilers and turbines, linking theoretical knowledge to practical industrial applications.

Conclusion

The session enriched the knowledge of students by providing practical insights into power plant equipment and process industries. It also motivated them to uphold professional values and prepare themselves to become competent and responsible engineers. The event successfully

blended technical learning with value-based guidance, making it a fitting tribute to Sir M. Visvesvaraya on Engineers' Day.

We thank our beloved Principal Dr.V.A Kulkarni sir and Management for their constant support in conducting such endeavours, which increases institute and industry interaction. We also thank our HOD Dr. K.S.Pujar for helping in arranging technical talk. Few snapshots of the program is given below
