Report on Technical Talk: “Opportunities for Mechanical Engineers in Aerospace Industry”

Date: 13th November 2025
Time: 2.30 PM
Mode: Online

The Department of Mechanical Engineering, in association with the Training and Placement Cell, organized a technical talk on the topic “**Opportunities for Mechanical Engineering in Aerospace Industries**” on **13th November 2025 at 2.30 PM** through online mode.

The session was delivered by **Mr. Abhay L, Director, FutureTech Engineering Pvt. Ltd.**, an expert with extensive industry experience in the Aerospace sector. The main objective of the talk was to provide Mechanical Engineering students with insights into the latest advancements in aerospace systems and to highlight the diverse global career opportunities available for Mechanical Engineers in this domain.

Students from 7th and 5th semester Mechanical Engineering actively participated in the session. Students gained knowledge about emerging technologies in aerospace, evolving industry demands, required skill sets, and the scope for Mechanical Engineers in research, design, manufacturing, simulation, and maintenance activities within the aerospace sector. The session concluded with an interactive Q&A, where students clarified their doubts regarding career paths, higher studies, and skill development.
