Department Activities

Department of Civil Engineering

Staff Achievement

1. Prof. Rakesh Patil published paper on title "GIS Based Morphometric Characterization and Hydrological Assessment of the Tatti Halla watershed Haliyal and Yallapur taluk. Karnataka India" with DA-23-10-2025-5179 in Disaster advances journal.
2. Dr. Ashik Bellary successfully completed NPTEL AICTE FDP course on "Machine Learning for Core Engineering Disciplines".

Events Organized

1. The Department of Civil Engineering organized a **Technical Talk** on "Best Practices in Civil Engineering" by **Er. Vijaykumar H. Totiger, Chartered Engineer, Dharwad**, on **November 13, 2025** for the 3rd and 5th semester students. The event was successfully coordinated by Prof. Rakesh Patil and Prof. Harshvardhan V S.

2. The Department of Civil Engineering organized **onsite alumni Interaction** on "Tackling the onsite challenges in Civil Engineering" **Er. Nouman Sayed, Alumni (2014-18)** Batch, Managing Director, Sayed Consultant and Contractors, Haliyal interacted with our 3rd and 7th semester students on **November 19, 2025**. This was coordinated by Prof. Vijaylaxmi B V and Prof. Seema B.

3. Department of Civil Engineering participated in all the event organized by **Kannada Kalpavariksha Sanga** and won **Kannada Kannmani** award for the year of **2025**.

Department of Computer Science & Engineering

Events Organized

1. Department of CSE and CSE-AIML conducted AICTE-Sponsored 120 Hours Training session on “**Green and Artificial Intelligence**” Skill Program in association with Shell Program and Edunet Foundation from **October 27 to November 14, 2025.**

2. Department of CSE conducted **Parents Meet** for 1st and 2nd year students on **November 15, 2025.**

3. Department of CSE-AIML conducted **Parents Meet** for 1st and 2nd year students on **November 15, 2025.**

4. Department of Computer Science and Engineering Participated in **Kannada Rajyotsava Celebration** and won Prize for “**Bhavya Meravanige**” on **November 22, 2025.**

5. **Prof. Nirmala G, Prof. Ekata S** of Department of CSE and CSE-AIML organized Online Technical Talk on “**Salesforce Essentials: The Power Behind the World’s Leading Clou-Based CRM**” on **November 21,2025.**

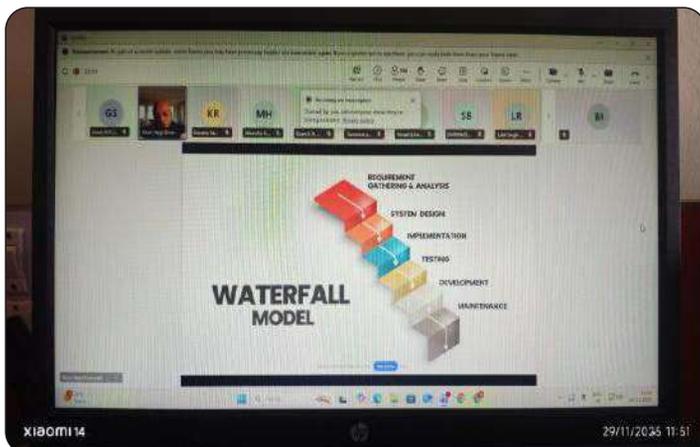

Department of Computer Science & Engineering

6. **Prof. Vijaya Chitrani and Prof. Parnesh Kulkarni** of Department of CSE organized Technical Talk on **“From Pixels to Pipelines: The full stack Perspectives”** on **November 24,2025.**

7. **Prof. Girish S and Prof. Bhagat Inamdar** of Department of CSE and **Prof. Bheerappa S** of CSE-AIML organized online Technical Talk on **“Kick-Starting DevOps: What, Why & How..”** on **November 29,2025.**

8. **Prof. Shree Gowri S S** of Department of CSE organized Hands on Session on **“Digital Circuit Design”** on **November 13,2025.**

Staff Achievement

1. **Prof. Farjana Nadaf, Prof. Shree Gowri Prof. Nirmala G, Prof. Ekata S** completed 12 weeks NPTEL Course on **“Introduction to Internet of Things”** from **July to October 2025.**
2. **Prof. Farjana Nadaf, Prof. Shree Gowri Prof. Nirmala G, Prof. Ekata S** attended ATAL FDP on **“Next gen Cyber Security: Challenges in the AI Era”** from **November 17 to 22, 2025.**
3. **Prof. Farjana Nadaf, Prof. Shree Gowri Prof. Ekata S** attended 6 days Residential FDP on **“Cybersecurity”** at **IIIT Dharwad** from **November 24 to 29, 2025.**

Department of Computer Science & Engineering

4. **Prof. Pranesh Kulkarni** completed 12 weeks NPTEL Course and FDP on “**Mathematical Foundations of Machine Learning**” from **July to October 2025**.
5. **Prof. Ravindra Patil** completed 12 weeks NPTEL Course and FDP on “**Introduction to Machine Learning**” from **July to October 2025**.
6. **Prof. Ravindra Patil** completed 12 weeks NPTEL Course and FDP on “**Deep Learning-IIT Ropar**” from **July to October 2025**.
7. **Prof. Nancy P** attended **ATAL FDP** on “**Next gen Cyber Security: Challenges and Statergies in the AI Era**” from **November 17 to 22, 2025**.

Department of Electrical & Electronics Engineering

Events Organized

1. The **Department of Electrical and Electronics Engineering** organized an **Industrial Visit** to the **Kadra Hydroelectric Power Plant**, operated by Karnataka Power Corporation Limited (KPCL) on **November 07, 2025**. A total of **53 students** from the **5th semester** actively participated in the visit. The visit aimed to provide students with practical exposure to the generation and operation of hydroelectric power plants, complementing their theoretical knowledge of electrical machines, power systems, and renewable energy sources. The event was successfully coordinated by **Prof. Subrahmanya Hegde**.

2. On **November 15, 2025**, the **Department of Electrical & Electronics Engineering** organized a **NSS activity** to **5th sem** NSS opted students to create awareness about Digital Literacy & Promoting Digital India Program among Villagers & Govt. School Students of Ajagaon Village, Haliyal Taluk. A total of

Department of Electrical & Electronics Engineering

29 Students actively engaged with both govt. school childrens and local villagers. At the school, students introduced the basics of computers, explained the main parts & functions of a computer system. They also interacted with villagers to highlight the benefits of using digital payment applications such as PhonePe and Google Pay for safe and convenient transactions. Additionally, they created awareness about common cyber threats, including online frauds, SMS scams, and other cyber-attacks. The visit was successfully coordinated by **Prof. Kirankumar Hittanagi**.

3. A **two-days** hands-on workshop on **VLSI Design** was organized by **Department of Electrical and Electronics Engineering** for the **5th semester** students from **November 27 to 28, 2025**. The workshop aimed to introduce students to the fundamentals of **Very Large-Scale Integration (VLSI)** and provide practical exposure to industry-standard design methodologies. **Prof.**

Deepak Sharma delivered structured sessions covering **basic concepts of VLSI**, including CMOS logic, design flow, and an overview of fabrication processes. Participants gained hands-on experience in using **Cadence Design Suite**, a widely used professional EDA tool in semiconductor industries.

Department of Electrical & Electronics Engineering

4. **Prof. Rajeshwari Nanannavar & Prof. Subrahmanya Hegde** visited **Vijayalaxmi Gears, Hubballi** & had an interaction with officials of Vijayalaxmi Gears regarding internship opportunities, industrial visit, expert's talk, FDP/SDP on industry process and placement opportunities.

Staff and Student Achievement

1. **Prof. Varaprasad Gaonkar** attended **6 days** online **ATAL FDP** on **"Prompt Engineering for Educators: Bridging AI with Academia"** from **November 10 to 15, 2025**.
2. **Prof. Sheetal N. Mindolkar** completed online **Coursera** course titled **"Create a Website with MailChimp"** on **November 17, 2025**.
3. Final year student, **Ms. Sanjana Rama Dodmani - 2VD22EE035** has been placed at **Infosys**, for the role of **System Engineer** through the placement drive conducted at **KLS Vdit, Haliyal** on **November 06, 2025**.
4. **Prof. Ravindra Motekar** and final year students namely **Mr. Abhishek B Galatagi, Mr. Deelip D Walekar, Mr. Shivanand, Mr. Vivekanand N Patil** with paper ID **"IJPREMS51100039579"** has published a paper entitled **"Power Quality Issues In Integrated Renewable System"** in International Journal of Progressive Research in Engineering Management and Science (IJPREMS), Volume 05, Issue 11, November 2025. DOI: <https://www.doi.org/10.58257/IJPREMS44854>
5. **Prof. Sheetal N. Mindolkar** and final year students namely **Mr. Chetan Sunadoli, Mr. Darshan S. Pattanashetti, Mr. Madhav Sawai, Mr. Vinay Nagaraj Patil** with paper ID **"IJPREMS51100050519"** has published a paper entitled **"Alive Human Detection Robot For Post- Earthquake Rescue"** in International Journal of Progressive Research in Engineering Management and Science (IJPREMS), Volume 05, Issue 11, November 2025. DOI: <https://www.doi.org/10.58257/IJPREMS44964>
6. **Prof. Rajeshwari Nanannavar** and final year students namely **Mr. Maruti B Goudra, Mr. Omkar S Chavan, Mr. Rohit M Pawar, Mr. Sujal C Akki** with paper ID **"IJPREMS51100044358"** has published a paper entitled **"Smart Home With Google Assistant & Alexa Using NodeMCU Esp8266"** in International Journal of

- Progressive Research in Engineering Management and Science (IJPREMS), Volume 05, Issue 11, November 2025. DOI: <https://www.doi.org/10.58257/IJPREMS44902>
7. Final year students namely **Mr. Pavan Dhondi, Mr. Sharanbasava, Mr. Vishal Haval** with paper ID “**IJPREMS51100073351**” has published a paper entitled “**Decentralized Battery Management System**” in International Journal of Progressive Research in Engineering Management and Science (IJPREMS), Volume 05, Issue 11, November 2025. DOI: <https://www.doi.org/10.58257/IJPREMS45192>
 8. **Prof. Manjunatha** and final year students namely **Mr. Harshad Gunjekar, Mr. Nagraj Balagi, Mr. Yeliphaz W Kothari, Mr. Yuvaraj S Kankonkar** with paper ID “**IJPREMS51100051823**” has published a paper entitled “**Smart Helmet**” in International Journal of Progressive Research in Engineering Management and Science (IJPREMS), Volume 05, Issue 11, November 2025. DOI: <https://www.doi.org/10.58257/IJPREMS44977>
 9. Final year students namely **Ms. Abhaya I Patted, Mr. Raghavendragouda S, Ms. Akshata Puri, Ms. Rani P Badiger** with paper ID “**IJPREMS51100057930**” has published a paper entitled “**Energy Efficient Measures In Karnataka Milk Federation(Dharwad)**” in International Journal of Progressive Research in Engineering Management and Science (IJPREMS), Volume 05, Issue 11, November 2025. DOI: <https://www.doi.org/10.58257/IJPREMS45038>
 10. **Prof. Sheetal Mindolkar** and final year students namely **Ms. Inchara Kattimani, Ms. Laxmi Kuratti, Ms. Namrata Talawar, Ms. Tejashwini Patil** with paper ID “**IJPREMS51100074898**” has published a paper entitled “**Women Safety Device With Two Way Interactive System**” in International Journal of Progressive Research in Engineering Management and Science (IJPREMS), Volume 05, Issue 11, November 2025. DOI: <https://www.doi.org/10.58257/IJPREMS45207>
 11. **Prof. Kirankumar Hittanagi** and final year students namely **Ms. Bhoomika Madiwalar, Ms. Chaitra Ballarimath, Ms. Soumya Turamarimath, Ms. Ishwari Turamarimath** with paper ID “**IJPREMS51100050670**” has published a paper entitled “**Rf 433mhz Transmitter And Receiver Based Robot Control For Inspection And Monitoring In Industries**” in International Journal of Progressive Research in Engineering Management and Science (IJPREMS), Volume 05, Issue 11, November 2025. DOI: <https://www.doi.org/10.58257/IJPREMS44965>

12. **Prof. Subrahmanya Hegde** and final year students namely **Ms. Rakshita Hiremath, Ms. Sneha H, Ms. Vijayalaxmi K** with paper ID “**IRJMETS71100156757**” has published a paper entitled “**Estimation Of Dc Positive Corona Power Loss Using Computer Vision Method**” in International Research Journal of Modernization in Engineering Technology and Science (IRJMETS), Volume 07, Issue 11, November 2025. DOI: <https://www.doi.org/10.56726/IRJMETS85902>
13. **Prof. Varaprasad Gaonkar** and final year students namely **Ms. Varshini Lamani, Ms. Venkata Shravani GK, Ms. Shivamma Sidnal, Ms. Taiyaba Sayed** with paper ID “**IJPREMS51100042942**” has published a paper entitled “**lot Based Transformer Health Monitoring System**” in International Journal of Progressive Research in Engineering Management and Science (IJPREMS), Volume 05, Issue 11, November 2025. DOI: <https://www.doi.org/10.58257/IJPREMS44888>
14. **Prof. Kirankumar Hittanagi** and final year students namely **Mr. Niteshkumar R Yende, Mr. Pandurang A Kulkarni, Mr. Adarsh N Tkhalli** with paper ID “**IJPREMS51100048176**” has published a paper entitled “**Solar-Powered Vehicle For Physically Challenged Individuals**” in International Journal of Progressive Research in Engineering Management and Science (IJPREMS), Volume 05, Issue 11, November 2025. DOI: <https://www.doi.org/10.58257/IJPREMS44940>
15. Final year students namely **Ms. Kavita Saraganachri, Ms. Sushma Madar, Mr. Sudhanva, Mr. Yashwant Belur** with paper ID “**IJPREMS51100041470**” has published a paper entitled “**Hand Gestures System For Dumb And Blind**” in International Journal of Progressive Research in Engineering Management and Science (IJPREMS), Volume 05, Issue 11, November 2025. DOI: <https://www.doi.org/10.58256/IJPREMS45828>
16. **Prof. Deepak V Lokare, Prof. Varaprasad Gaonkar** and final year students namely **Ms. Aishwarya S Tadas, Ms. Cynthia S Mishrikoti, Ms. Sanjana D Wadker, Ms. Shreya S Patil** with paper ID “**IJPREMS51100052331**” has published a paper entitled “**V2g And G2v Converters For Ev ApplicationS**” in International Journal of Progressive Research in Engineering Management and Science (IJPREMS), Volume 05, Issue 11, November 2025. DOI: <https://www.doi.org/10.58257/IJPREMS44982>

Department of Electronics & Communication Engineering

Events Organized

1. **Prof. Anita Hanchinal** successfully conducted **C++ related quiz** for **3rd semester students** on **November 21, 2025**. Total 60 students participated in the quiz
2. **Prof. Anita Hanchinal and Prof. Ashwini Garaddi**, along with 68 students from 5th semester, visited Someshwar Temple, Killa Haliyal as part of the NSS activity **"Swachh Bharat"** for contributing towards cleanliness and community awareness. The event was conducted on **November 26, 2025**.

FDP/Workshop Attended

1. **Prof. Deepak Sharma** has successfully participated & completed **AICTE Training and Learning (ATAL) Academy FDP** on **"Quantum-Driven Semiconductors: Fabrication Function, and Future"** Organized at **KLS VBIT, Haliyal** from November 10 to 15, 2025.
2. **Prof. Ashwini Garaddi** Participated in **One Day FDP** on **"5G for educators: Procedures, KPIS, Security and troubleshooting"** Organized by Make my technology(MMT) in association with VTU Regional center Bangalore November 12, 2025
3. **Dr. Nagaraj Bhat , Prof. Sudheendra Yalagur and Prof. Ashwini Garaddi** Participated in webinar **"Emerging**

careers in ESDM: In demand skills, job roles and industry expectations" on November 19, 2025 by ICT ACADEMY.

4. **Prof. Deepak Sharma and Prof. Pooja Shindhe** have successfully participated & completed **AICTE Training And Learning (ATAL) Academy FDP** on **"Sustainable Semiconductor Technologies: Designing Energy-Efficient Devices for Green Electronics"** organized by ANIL NEERUKONDA INSTITUTE OF TECHNOLOGY & SCIENCES from November 24 to 29, 2025.

Staff and Student Achievement

1. **Dr. Mahendra M. Dixit** has contributed as a Reviewer for **IEEE Transactions on Circuits and Systems II: Express Brief**.
2. **Dr. Mahendra M. Dixit** has contributed as a Reviewer for **Alexandria Engineering Journal**
3. **Dr. Mahendra M. Dixit** along with Research Scholar **Mr. Prasann Kulkarni** have Published a Research Article entitled **"DCT and DWT Transform Methods in Adaptive Huffman Coding Systems: Variable Quantization Strategies for Improved Image Compression of HDR Images"** in **IAENG International Journal of Computer Science Volume 52, Issue 12, December 2025, Pages 4865-4878**.
4. **Prof. Vijayalaxmi C. Kalal** has successfully completed **NPTTEL 12 – Week (Jul – Oct 2025)** course on **"Machine**

Department of Electronics & Communication Engineering

Learning and Deep Learning – Fundamentals and Applications" with a consolidated score of 54% on November 10, 2025.

5. Prof. Suraj Kadli has successfully completed NPTEL 12 – Week (Jul – Oct 2025) course on "Applied Linear Algebra for Signal Processing, Data Analytics and Machine Learning" with a consolidated score of 61% on November 10, 2025.
6. Dr. Mahendra M. Dixit, President, IIC, Prof. Deepak Sharma, Innovation Ambassador along with successfully represented KLS Vdit in IIC Regional Meet - 2025 held at KLE Technological University, Hubballi on November 25, 2025. Our Third Semester Students Ms. Suma Godachppanavar and Ms. Rashmi Toranagatti presented and successfully defended the shortlisted Projects entitled "Cotton Mitra" and "Punicavacha" under Yukti Innovation Challenge 2025 in Round 2, after qualifying in round 1.

7. Prof. A V Kolaki has successfully completed NPTEL 12 – Week (Jul – Oct 2025) course on " Digital Circuits" with a consolidated score of 73% on November 10, 2025.
8. Prof. A. V. Kolaki has Published a Research Article entitled "A Smart Jacket for Real Time Women Safety Monitoring System" in International Journal of Current Engineering and Scientific Research (IJCESR) in Volume XII, Issue XI in the year 2025.

Industry Visit

1. Dr. Mahendra M Dixit, Dean (III & Outreach) along with Prof. Pranesh Kulkarni, TPO Coordinator, Department of CSE Dr. Poornima Raikar, HoD, CSE (AI&ML) and Dr. Venkatesh Shankar, HoD, CSE visited the following Industries on November 17, 2025.

- (1) Haegel Technology Pvt. Ltd.,
- (2) Third Eye Data and
- (3) DocketRun Tech. Pvt. Ltd. Hubli.

Department of Electronics & Communication Engineering

2. **Dr. Mahendra M Dixit, Dean (III & Outreach)** along with **Prof. Naveen Hiremath and Prof. Subramanya Hegde** TPO Coordinators, Department of E&EE and ME. **Prof. Rajeshwari N.** HoD, E&EE and **Dr. K. S. Pujari**, HoD, ME visited the following Industries on **November 20, 2025.**

- (1) Vijayalakshmi Gears, Rayapura,
- (2) Vijayalakshmi Gears, Gokul Industrial Estate,
- (3) Vijayalakshmi Gears, Jodalli and
- (4) Karnataka Material Testing & Research Centre, Hubli.

3. **Prof. Jyoti Kammar, Prof. Rajeshwari P., and Prof. Pavitra B.** successfully coordinated an Industrial visit to **Creintors Environmental Solution Pvt. Ltd., Belagavi, and Belgaum Ferrocast Pvt. Ltd., Belagavi** on **November 27, 2025.** 50 students from 3rd Semester B Division got benefited by this visit. **Mr. Pramod Mutagekar (HR, Creintors Environmental Solution Pvt. Ltd.) and Mr. Pradeep Naik (Quality Manager, Belgaum Ferrocast Pvt. Ltd.)** provided valuable insights and detailed explanations during the visit.

Department of Mechanical Engineering

Events Organized

1. The Department of Mechanical Engineering organized a one-day hands-on workshop on **“CNC Machining, Vibration Analysis, and TVS Bike Engine Mechanics”** for the students of Government Polytechnic, Haliyal, on **November 07, 2025.** **Dr. Shankar Badiger, Prof. Gurunath Mewundi & Prof. Santosh Savanur** co-ordinated the event.

Department of Mechanical Engineering

2. The **Department of Mechanical Engineering**, in collaboration with the **Training & Placement (T&P) Cell**, organized an insightful online technical talk on **“Opportunities for Mechanical Engineers in the Aerospace Industry”** on **November 13, 2025**. The session was delivered by **Shree Abhay L., an accomplished industry expert and the Director of Futuretech Engineering, Bengaluru**. The event was co-ordinated by **Prof. Deepak Lokare, Prof. Naveen Hiremath & Prof. Gurunath Mewundi**.

3. The **Department of Mechanical Engineering** in co-ordination with **Entrepreneurship Development Cell** organized a hands-on training program on **“CNC Programming & Simulation”** on **November 14, 2025**. The session was conducted by two experienced industry professionals—**Mr. Subramanian Rajkumar, General Manager of EMT Chennai**, and **Mr. Vishnu Chougale, EMT Bangalore**, who brought extensive expertise in CNC technology, manufacturing automation, and machine tool applications.

The event was co-ordinated by **Prof. Gurunath Mewundi**

4. The **Department of Mechanical Engineering** organized a technical talk on **“Industry Readiness”** on **November 21, 2025**. The session was delivered by **Shree Shrikant Naik, GM-Projects Microfinish Valves Pvt. Ltd. Dharwad** and co-ordinated by **Prof. G.R. Sattigeri**.

Department of Mechanical Engineering

5. **Mr. Nagaling Garag**, from the Department of Mechanical engineering and **Mr. Mahabaleshwar**, from the Department of Electrical Engineering attended a one-day training program at **EZON Electric Vehicle Pvt. Ltd., Jigani, Bengaluru** on **November 20, 2025**. The participants were exposed to practical knowledge of the major components used in electric vehicles.

Staff & Student Achievement

1. **Dr. Anant Joshi, Dr. Shankar Badiger, Dr. Gururaj Hatti & Prof. Gurunath Mewundi** filed a patent on "Performance enhancement and prediction of a solar still using honeycomb structure tubes, nanoparticle-coated sponge, cotton wicks, charcoal bed, and artificial neural networks" on **October 27, 2025** along with 7th sem students **Mr. Girish D. Mane, Ms. Jahanvi Magadum, and Mr. Kiran Naik**.
2. **Dr. Gururaj Hatti** completed AICTE

Training and Learning (**ATAL**) Academy Faculty Development Program on "Harnessing AI and Emerging Technologies for Research and Startup Innovation" at **St. Joseph's Institute of Management** from **November 17, 2025** to **November 22, 2025**.

3. **Prof. Gurunath Mewundi** completed AICTE Training and Learning (**ATAL**) Academy Faculty Development Program on **ATAL FDP on Robotics for Industry 4.0: Enabling Smart Manufacturing** at **Sri Venkateswara College of Engineering** from **November 17, 2025** to **November 22, 2025** in online mode.
4. **Prof. Deepak Lokare** completed the **NPTEL Online Certification Course** titled "Strategic Management – The Competitive Edge" conducted during **August 2025 to October 2025 (8-week course)**. He also published a paper entitled "V2G AND G2V CONVERTERS FOR EV APPLICATIONS" in **International Journal of Progressive Research in Engineering Management and Science (IJPREAMS), Volume 05, Issue 11, November 2025**.
5. **Mr. Goutam Kondli** completed the course **Research Methodologies and IPR**, earning 3 credits on **Nov 22, 2025** from **VTU – Centre for Online Education**.

Department of Mechanical Engineering

6. **Mr. Basavaraj Hosakoti** completed the course **Design Thinking – A Primer**, earning 1 credit on **Nov 06, 2025** from **VTU – Centre for Online Education**.
7. **Mr. Girish D. Mane, Ms. Jahanvi Magadum, and Mr. Kiran Naik** from 7th sem have actively participated in **Yantra 2025**, a competition on Engine Assembly held on **November 17, 2025**, organized by the **Department of Mechanical Engineering, GM University, Davangere**

Industry Visit

1. An industrial visit was arranged for the 3rd semester Mechanical Engineering students to **Fleetguard Filters Pvt. Ltd., Dharwad** on **November 28, 2025**, a leading manufacturer of filtration systems. The event was co-ordinated by **Prof. Santosh Savanur & Dr. Shankar Badiger**.

Department of Basic Science & Humanities

Events Organized

AICTE Sponsored FDP on “Quantum Driven Semiconductor: Fabrications, Applications and Future”

A six-day AICTE-sponsored ATAL online Faculty Development Programme (FDP) on **“Quantum Driven Semiconductors: Fabrication, Function, and Future”** was successfully conducted from **10 to 15 November, 2025**. The event saw participation from 103 faculty members and researchers from various AICTE-affiliated

institutions across the country.

The FDP featured expert talks from renowned resource persons, including researchers, industry experts, and academicians, who shared their insights on the latest developments in quantum-driven semiconductors.

Department of Basic Science & Humanities

Dr. M. S. Sannaikar and Dr. S. M. Galagali coordinated the programme, ensuring its success. The principal of the institution congratulated the participants on their overwhelming response, stating that it reflects the growing interest in cutting-edge technologies like quantum semiconductors. The FDP aimed to equip participants with the latest knowledge and skills in semiconductor fabrication, function, and future applications, aligning with AICTE's goal of promoting continuous professional development in technical education.

Staff Achievement

1. **Dr Sneha S kulkarni** has published research article titled with "**Bioanalytical evaluation of computationally designed therapeutics: Linking molecular modeling and experimental drug analysais**" in journal of Journal of Applied Bioanalysis, **Volume 11, issue 5, October 2025.**
2. **Dr Mallikarjun K Patil** has published research article titled with "**Microwave assisted multicomponent synthesis of novel sensitizers featuring imidazol-1-yl-1,3,4-thiadiazol-2-yl-benzoic acids from N-carboxyphenyl sydnone as synthon for dye sensitized solar cells**" in journal of **Physics B: Condensed matters, Volume 723, 418060, November 2025.**

3. **Dr Sneha S Kulkarni, Dr Vinod Naik, Dr Mallikarjun K Patil, Dr Gurunath Kurdekar** attended A six-day AICTE-sponsored ATAL online Faculty Development Programme (FDP) on "**Quantum Driven Semiconductors: Fabrication, Function, and Future**" organized by Department of Basic Science & Humanities, KLS VDIT, Haliyal from **10 to 15 November 2025.**
4. **Dr M S Sannaikar** has invited as the Resource person to present in the 6 days online ATAL FDP conducted by Basic Science & Humanities Department, KLS VDIT Haliyal from **10 to 15 November 2025.**

Fresher's Day- 2025

Freshers' Day for the first-year B.E. students was organized by the BSH Department of KLS VDIT, Haliyal, on **November 22, 2025** at the KLS VDIT campus. Division-wise competitions were conducted, and all the students participated enthusiastically. A variety of cultural and

Department of Basic Science & Humanities

creative events were organized as part of the Freshers' Day celebrations. The competitions included solo singing, rangoli, Best out of waste, group singing, mimicry, dance, and several other engaging activities. These events provided a platform for students to showcase their talents and express their creativity. The vibrant performances and enthusiastic participation from all divisions added energy and excitement to the entire program.

Health Camp

Women's Cell and **Institution Innovation Council (IIC)**, in association with **HCG NMR Cancer Centre** and **Suchirayu Hospital, Hubballi**, organized an **"Awareness Session on Cancer"** followed by a General Health Checkup Camp for the Staff on **November 12, 2025**. The event witnessed more than 150 enthusiastic participation from the girl students and Staff of Vdit. **Dr. Adarsh G. Hegde, Consultant – Radiation Oncology, HCG NMR Cancer Centre,**

Hubballi addressed the Staff and Students. This event was Organized by **Dr. Meenal M. Kaliwal**.

Alumni Meet- 2025

Alumni Association KLS VEDIT Haliyal **successfully** hosted the **Alumni ReConnect 2025 at Kanishka Grand in Bengaluru on November 29,2025**, bringing together a dynamic group of Alumni representing batches from the past two decades. The event was designed to strengthen the bond between alumni, current students and faculty, while honoring the institution's legacy and the accomplishments of its graduates. A diverse and talented alumnus, each excelling in their respective fields and contributing meaningfully to society, participated in the event, adding depth and significance to the celebration.
