PRINCIPAL MESSAGE

It gives me immense pleasure to welcome you to KLS Vishwanathrao Deshpande Institute of Technology (KLS VDIT), Haliyal — an institution that has consistently upheld the values of excellence, innovation, and holistic education since its inception in 2004. Affiliated to Visvesvaraya Technological University (VTU), Belagavi, approved by AICTE, New Delhi, and recognized under Section 2(f) of the UGC Act, 1956, KLS VDIT has been a centre of quality technical education for over two decades. With six undergraduate and two postgraduate programs in core engineering disciplines, the institute continues to play a significant role in shaping competent and socially responsible engineers.

We take immense pride in the fact that seven of our departments have been recognized as Research Centers by VTU, reflecting our deep commitment to research and academic advancement. Our 'A' Grade accreditation by NAAC in the very first cycle is a testament to our relentless pursuit of educational excellence, innovation and institutional development.

Spread across a 28-acre eco-friendly campus, KLS VDIT places a strong emphasis on sustainability. Our green initiatives, such as a single-use plastic-free environment, solar rooftop systems and a dedicated Sewage Treatment Plant, stand as a model of responsible infrastructure and environmental consciousness.

KLS VDIT has consistently fostered a vibrant learning environment, encouraging innovation through the publication of 30+ patents, and supporting academic growth with access to over 1400 online courses. With more than ₹100 lakhs in research and development funding in the past three years, and 30+ active industry-academia collaborations with top organizations like Toyota, Volvo, Royal Enfield, CISCO, Infosys Springboard, BITES, CII, and others, our students are well-prepared to thrive in an evolving professional landscape.

Our institute has been a hub of excellence, achievements, and holistic development—driven by the collective efforts of our dedicated faculty, staff, and ambitious students. We are committed to providing a nurturing academic environment and continually strive for the all-round development of our students.

ANEXURE 1B.12(i)

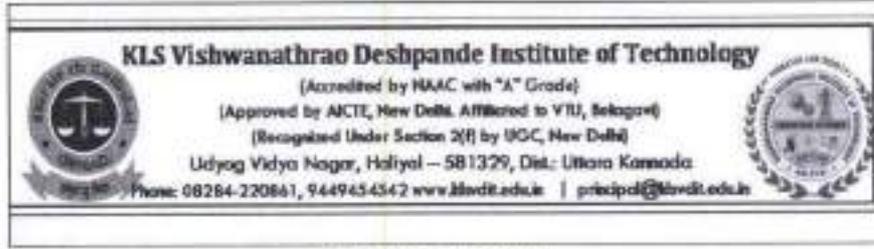

Admission Test, Marks in Qualifying Examination

For Engineering /Technology courses: A candidate who has passed the Q. E with Physics and Mathematics as compulsory subjects along with Chemistry/Bio- Technology/ Biology/ Electronics /Computer Science as optional subjects with English as one of the languages of study and obtained an aggregate minimum of 45% marks in the optimal subject in the Q. E is eligible for Engineering/Technology courses. 40% of marks in Q. E in case of SC, ST, Category -1 and OBC (2A,2B,3A and 3B) Category candidates. Provided that, the marks obtained by the candidate in Bio-Technology/ Biology/ Electronics/Computer Science in the Q. E will be considered in place of Chemistry, in case the marks obtained in Chemistry is less for required aggregate percentage, only for the purpose of determination of eligibility and not for the purpose of determination of rank, in respect of Engineering/Technology courses.

Based on the performance of the candidates in Physics, Chemistry and Mathematics subjects in both Common Entrance test and the qualifying examination by taking the marks in equal proportions, the Engineering rank list will be prepared and published.

Report on Academic Bank of Credits (ABC)

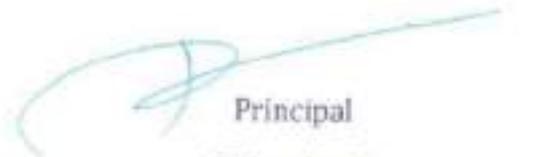

The Academic Bank of Credits (ABC), notified by the Visvesvaraya Technological University (VTU) in alignment with the All-India Council for Technical Education (AICTE)/UGC, have been successfully adopted in our college. The ABC system serves as a comprehensive repository for academic credits earned by students throughout their educational journey, facilitating seamless credit transfer and accumulation. This innovative approach enhances flexibility in curriculum design and allows students to pursue interdisciplinary studies.

347 students will be registered for Academic Bank of Credit.
