Title: "Swachh Bharat"

Date: 26/11/2025

Organized by: Department of ECE in association with NSS

Venue: Someshwara Temple, Khilla Haliyal

As a part of our NSS activities, the ECE department 5th semester students visited the Someshwara Temple in Khilla, Haliyal for a Swachh Bharat cleanliness drive. The visit aimed to promote cleanliness, community responsibility and awareness about maintaining cultural and religious places.

The program began with a brief introduction by the NSS coordinators on the importance of cleanliness and public participation. Students actively participated in cleaning the temple premises, removing litter, sweeping pathways, clearing dry leaves, and arranging the surroundings. The waste collected was properly segregated and disposed of in an environmentally friendly manner.

During the activity, volunteers also interacted with local people to spread awareness about keeping public places clean and preserving the historical significance of the temple. The participation and enthusiasm of students created a positive environment and reinforced the message of community cleanliness. This activity not only helped improve the temple surroundings but also inspired the students to adopt cleanliness as a daily practice and encourage others to do the same.
