Department: CSE(AIML)   **AY : 2025-26 EVEN SEMESTER**

Vision

To lead the way in the creation and application of cutting-edge Computer science and engineering (AIML) technologies, advancing the frontiers of knowledge, and empowering future generations to drive innovation and transformation on a global scale.

Mission

1. To train students with a strong conceptual understanding using innovative pedagogies, empowering them to excel in the dynamic fields of Artificial Intelligence and Machine Learning.
2. To imbibe professional, research, and entrepreneurial skills with a commitment to the nation's development at large.
3. To strengthen the industry-institute Interaction.
4. To promote life–long learning with a sense of societal & ethical responsibilities.
