Report on Participation in Manak Mahotsav – World Standards Day 2025

Bureau of Indian Standards (BIS)

Ministry of Consumer Affairs, Food & Public Distribution, Government of India.

Standards Club

Name of the activity : Manak Mahotsav
Date : 14/10/2025
Venue : Ocean Pearl, Hubballi

On the occasion of World Standards Day 2025, the Bureau of Indian Standards (BIS), Hubli Branch Office, organized a special event titled "Manak Mahotsav" at Ocean Pearl, Hubballi. The event aimed to promote awareness about the importance of standards in ensuring quality, safety, and sustainability across industries and academia.

Faculty members and students actively participated in the celebration. During the function, the Bureau of Indian Standards presented a Token of Appreciation to KLS Vdit for their active participation in Standards Club activities.

The event provided valuable insights into the role of standards in technological innovation and industrial development. Experts from BIS and industry professionals interacted with the participants, emphasizing the significance of adopting standardization practices in engineering education and research.

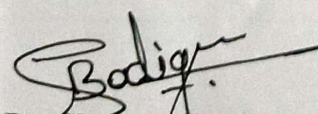

The recognition received by KLS Vdit highlights the department's consistent efforts in promoting quality awareness, student engagement, and participation in national initiatives related to standardization.

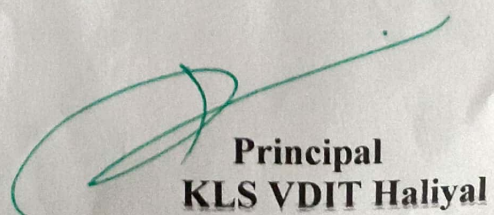

List of staff and students attended the event:

REPORT ON BIS – “MANAK MANTHAN” HUBLI

Bureau of Indian Standards (Ministry of Consumer Affairs, Food and Public Distribution) Hubballi branch office organised a programme titled “Manak Manthan” under Pradhan Mantri Awas Yojana – Grameen - (PMAYG) on 25th February 2025 from 10:00am to 1:00pm at Hotel President, Hubballi.

Shri. Ahmad Bijapur, Regional In charge, BIS, Hubballi addressed the gathering about the importance of pucca houses. They also interacted with all the participants regarding the standards to be maintained during the construction. Final year and pre final year students of Civil Engineering Department attended the programme.

The industry visit helped the students to know the importance of IS standards. Students were briefed about ethical principal and its importance.

REPORT ON BIS - INDUSTRY VISIT TO "CONECC INDUSTRY PVT LTD."

DHARWAD

An industry visit to Conecc Industries Pvt Ltd. Dharwad was organised in association with Bureau of Indian Standards (BIS) Hubballi by the Department of Civil Engineering on 28th June, 2024 from 10:00am to 12:00pm.

Shri. Amit Metri, Manager, Conecc Industries Pvt Ltd. Dharwad, interacted with all the 6th semester students of Civil Engineering. During the interaction session, he explained the process of manufacturing the light weight block at his plant. The plant mainly consists of two silos where, the different raw materials are mixed and collected in the container. The container along with mixture is cooled and transported to cutting unit where the sample is cut into four different sizes. At the end, blocks are cured by steam curing method in a closed container for 8hrs. Immediately after curing the light weight blocks are transported to construction sites for various construction purposes.

Even the industry visit helped the students to know the importance of IS standards. Students were briefed about ethical principal and its importance while manufacturing the blocks to maintain the quality.
