TATA READY ENGINEER PROGRAM 2025-26

KLS, VDIT, Haliyal is in MOU with Tata Technologies as a part of Corporate Sustainability Program to launch the 'Ready Engineer' program. The Ready Engineer program is an industry-academia interface which enhances design and application skills of engineering graduates to improve their employability and reduces the time and resource spent by companies on re-training graduate engineers. Tata "Ready Engineer" program is an ambitious CSR project of TATA Technologies, Pune. It aims at training young mechanical engineering students by imparting required skills and make them industry ready before completing their graduation. Only 15 reputed engineering colleges have been selected for the "Ready Engineer" program in Karnataka. We proudly say that KLS VDIT, Haliyal is one of them. KLS VDIT, Haliyal (our college) is selected for this program because of our commitment towards imparting advanced value based technical education.
