## EVENT DETAILS

### **One Day Technical Talk on “Engineering the Future through UN Sustainable Development Goals (UNSDGs)”**

Organised by Department of Civil Engineering and Department of Electrical and Electronics Engineering in association with **ECO Club KLS VDIT**.

**Date and Time:** 11 March 2026, 10:00 AM

**Venue:** Seminar Hall, KLS VDIT, Haliyal

#### **Resource Person**

Mr. Pradeep N. V.

Environmental Engineer

Nisarga Eco Consultants, Belagavi

#### **Target Participants**

Students of Civil Engineering and Electrical & Electronics Engineering

**Number of Participants:** 98 Students

#### **Objectives of the Program**

1. To create awareness among students about **UN Sustainable Development Goals (UNSDGs)**.
2. To understand the role of **engineering in sustainable development**.
3. To encourage students to adopt **environmentally responsible engineering practices**.

## Report

The Department of Civil Engineering and the Department of Electrical and Electronics Engineering in association with the ECO Club organized a **One Day Technical Talk on “Engineering the Future through UN Sustainable Development Goals (UNSDGs)”** on 11<sup>th</sup> March 2026 at the Seminar Hall.

The resource person for the session was **Mr. Pradeep N. V., Environmental Engineer, Nisarga Eco Consultants, Belagavi**, who shared valuable insights on sustainable development and the role of engineers in addressing global environmental challenges.

## Department of Civil Engineering and Electrical & Electronics Engineering "Technical talk on Engineering the Future through UN Sustainable Development Goals (UNSDGs)"

### Pre event

Date: 11/03/2026

Venue: KLS VDIT Seminar Hall

Resource person name & affiliation: Mr. Pradeep N. V. Environmental Engineer, Nisarga Eco Consultants, Belagavi

Beneficiaries: 98 students

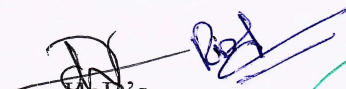

PO mapping:

Sl. No	PO/PSO mapped	Level	Justification
01	PO 1	2	The session helped participants understand the concept and significance of UN Sustainable Development Goals and their relevance to engineering knowledge and practice.
02	PO 7	2	The session enabled participants to identify the importance of sustainable development in protecting the environment and promoting environmentally responsible engineering solutions..
03	PO 8	1	The session created awareness about the ethical responsibility of engineers towards society and environmental protection while practicing sustainable development.

### Feedback questions:

1. I agree that session helped me to understand the concept and importance of UN Sustainable Development Goals (UNSDGs)? (PO1)
2. I agree that we were able to identify the role of sustainable development in environmental protection after attending this session? (PO7)
3. I agree that the session helped me understand the responsibility of engineers towards society and environmental protection? (PO 8)
