## Report on Technical talk

### "Beyond the Classroom: Preparing Students for Real-World Challenges in Industry"

The technical talk titled "Beyond the Classroom: Preparing Students for Real-World Challenges in Industry" was conducted on September 25, 2025, at KLS Vdit Haliyal. The session was led by Mr. Gururaj A. Deshpande, Senior Executive (Electrical) at EID Parry (India) Limited, Haliyal. It was attended by 53 students from the third semester EEE department.

The technical talk delivered by Mr. Gururaj A. Deshpande focused on equipping students with the ability to apply their academic knowledge to solve real-world industry problems, emphasizing the significance of ethical principles and professional conduct in the workplace. He highlighted how continuous learning is essential for adapting to new trends and overcoming challenges in fast-evolving industry environments, thus encouraging students to engage with ongoing innovation and prepare for the dynamic nature of their future careers.

A heartfelt thanks to all the dedicated teaching staff and enthusiastic students who contributed to the success of this technical talk, making it a truly enriching experience for everyone. Special appreciation to HOD Prof. Rajeshwari N and Principal Dr. V. A. Kulkarni for their leadership, support, and encouragement in fostering such valuable academic-industry interactions at KLS Vdit.
