Department of Electrical & Electronics Engineering

A report on

“Mock Drill: Fire Fighting & Disaster Management 24/09/2025”

Date: 24.09.2025

Time: 11:30 AM

Venue: Vidya Ganapati Temple, KLS VDIT Campus

The Department of Electrical & Electronics Engineering, in association with the Fire Department, Haliyal, organized a **Mock Drill on Firefighting and Disaster Management** on 24th September 2025. The program was aimed at creating awareness among students and staff about fire safety measures, disaster preparedness, and emergency response.

The mock drill was conducted by a team of **10 officers** from the Fire Department, Haliyal, under the leadership of:

- **Shri. A. S. Vaddar**, Station Officer
- **Shri. B. B. Dalavai**, Assistant Station Officer

The team arrived on campus at **11:30 AM** and initiated the training session.

The Fire Department officers conducted a detailed and interactive session which included:

1. **Introduction to Basics of Fire**
 - Explained the concept of fire, its causes, and preventive measures.
 - Types of fire (Class A, B, C, D, etc.) were elaborated with examples.
2. **Emergency Rescue Procedures**
 - Demonstrated standard rescue techniques used during fire accidents and disasters.
 - Students were actively involved in practical rescue demonstrations.
3. **Demonstration of Fire Extinguishers**
 - Explained the different types of fire extinguishers.
 - Demonstrated the **practical use** of extinguishers on various types of fires.
 - Educated participants on **which extinguisher suits which type of fire**.
4. **Fire Extinguishing Activities**
 - Officers demonstrated live fire extinguishing.
 - Students and staff also practiced using fire extinguishers under expert guidance.

More than 150 students participated in the training, benefited from hands-on practice, and gained confidence in handling fire emergencies. The event was coordinated by Prof. Varaprasad Gaonkar, with the support of the Department of Electrical & Electronics Engineering.

The Mock Drill was a grand success, instilling fire safety awareness, practical firefighting skills, teamwork, and confidence among students and staff. Such initiatives play a vital role in preparing the campus community to respond effectively during emergencies.
