Department Activities

Department of Civil Engineering

Events Organized

1. The Department of Civil Engineering organized an **Alumni Interaction Session** on **May 07, 2026** at KLS Vishwanathrao Deshpande Institute of Technology for the 6th Semester Civil Engineering students. The session was delivered by **Er. Lakkanna S. Biradar**, a distinguished alumnus of the 2017–2021 batch, who is currently serving as a **Quality Engineer at WADE ADAMS Contracting LLC, Abu Dhabi, UAE.**

2. The Department of Civil Engineering, in association with UltraTech Cement Pvt. Ltd., organized a technical talk on **“Campus to Conservation: Water Smart Future”** for Civil Engineering students on **May 8, 2026**. The session was delivered by Shri Ashok Reddy Kollur, Regional Technical Head, North Karnataka and Goa, UltraTech Cement Pvt. Ltd. The event was graced by Mr. Girish Pawar, Technical Manager,

UltraTech Cement, Dharwad, and Mr. Prasanna Uppin, Technical Manager, UltraTech Cement, Uttara Kannada. The talk emphasized sustainable water management, conservation practices, and the importance of developing water-smart solutions for a sustainable future. During the program, **Mr. Abhishek Yatanur** was felicitated with a **cash prize of ₹2,000** for securing the highest marks in the Concrete Technology subject during the academic year 2025–26. The event was coordinated by **Prof. Seema**

B.

3. The Department of Civil Engineering in conducted site visit for II & IV semester students to **Jack well at Dandeli and WTP near Yadoga** village of Haliyal MVS on **May 11, 2026**. This event coordinated by Prof. S. G. Hiremath and Prof. Vijaylaxmi V.

Department of Civil Engineering

Staff Achievement

1. **Prof. Laxmi H** successfully completed her **Comprehensive Viva Voce**

examination on **May 20, 2026**, marking a significant milestone in her academic and research journey.

2. **Prof. Laxmi H, Prof. Vijaylaxmi B V, Prof. Seema B, Prof. S. G. Hiremath, Dr. Ashik B and Prof. Rakesh P** Participated in the AICTE-recognized One-Week Faculty Development Programme on "**AI and Open Source Tools for Teaching-Learning Excellence**" organized by National Institute of Technical Teachers Training and Research Chandigarh from **May 18 to 22, 2026** at KLS Vishwanathrao Deshpande Institute of Technology.

Department of Computer Science & Engineering

Staff Achievement

1. **Dr. Venkatesh Shankar, Prof. Farajana Nadaf, Prof. Nirmala Ganiger, Prof. Pranesh K, Prof. Shree Gowri, Prof. Bhagat I, Prof. Girish S, Prof. Sunita Kallu, Prof. Vijet Swadi, Prof. Nancy, Prof. Ravindra Patil, Prof. Jyoti Chitti, Prof. Ekata S, Prof. Kanchan Khokale, Prof. Santosh S, Prof. Rajat Acharya, Prof. Vijaya C** participated in AICTE Recognized FDP on "**AI and Open Source tools for teaching Learning Excellence**" conducted by Information Management and Emerging Engineering Department under **NITTTR Chandigarh** from **May 18 to 22, 2026**.

2. **Prof. Farajana Nadaf, Prof. Shree Gowri, Prof. Nirmala Ganiger, Prof. Ekata S** attended one week FDP on "**Smart Mobility: IoT & Embedded Systems in Modern Automotive Engineering**" organized by VNR VJIET from **May 4 to 8 2026**.
3. **Prof. Kanchan Khokale** undergone 30 hours Innovation Ambassador Training session in "**Foundation Level**" in online mode.
4. **Prof. Kanchan Khokale** completed 12 weeks NPTEL Course on "**The Joy of Computing using Python**" from **Jan to Apr 2026**.
5. **Prof. Kanchan Khokale and Prof. Nancy P** completed 3 days online FDP on "**Future Ready Teaching Practices**" organized by CCE, IIT Mandi, from **May 6 to 8, 2026**.

Department of Computer Science & Engineering

Event Organized

1. **Prof. Vijet Swadi and Prof. Ravindra Patil** of Department of CSE and CSE-AIML conducted a Technical Talk on **“National Priorities and AI Driven Innovation in Healthcare”** for 4th Semester students on **May 22, 2026.**

2. **Prof. Bheerappa S** of Department of CSE-AIML conducted a Technical Talk on **“SAP”** for 4th sem CSE-AIML Students on **May 23, 2026.**

3. **Prof. Santosh Savanur, Prof. Rajat Acharya, Prof. Shree Gowri, and Prof. Nirmala Ganiger** of Department of CSE Organized Industry Visit to **“Praxien Technology Private Ltd. Haliyal”** for 4th sem CSE Students on **May 23, 2026.**

4. **Prof. Pranesh K and Prof. Vijaya C** of Department of CSE conducted a Workshop on **“FULL STACK WEB DEVELOPMENT”** on **May 25, 2026.**

Department of Computer Science & Engineering

5. **Prof. Girish Shivangudi** and **Prof. Nancy P** of Department of CSE conducted a Technical Talk on “**Smart devices and wearable technology**” for 4th sem CSE Students on **May 14, 2026.**

6. Department of CSE organized Farewell Event for Final Year Students (Batch 2022-26) on **May 12, 2026.**

Student Achievement

1. **3rd year Students** from **Department of CSE-AIML**, completed “**Arduino Test**” Organized at KLS VDIT Haliyal with course material provide by EduPyramids, SINE, IIT Bombay passing an online exam, conducted remotely from IIT Bombay on **May 09, 2026.**
2. **2nd year Students** from **Department of CSE-AIML** Completed “**Python 3.4.3**” Organized at KLS VDIT Haliyal with course material provide by EduPyramids, SINE, IIT Bombay passing an online exam, conducted remotely from IIT Bombay on **May 12, 2026.**

Department of Electrical & Electronics Engineering

Staff Achievement

1. **Prof. Rajeshwari Nanannavar, Prof. Varaprasad Gaonkar, Prof. Ravindra Motekar, Prof. Sheetal N. Mindolkar and Prof. Prakash Chavan** participated in the **AICTE recognized One week FDP on "AI and Open source tools for teaching Learning Excellence"** conducted by Information Management and Emerging Engineering Department from **May 18 to 22, 2026** at KLS VBIT, Haliyal organized by **NITTTR Chandigarh**.
2. **Prof. Ravindra Motekar** has participated in the 6 days FDP on **"Exploiting AI for Sustainable Development- A Hands-on Approach"** organized by Dept of EEE and Dept. of CV in association with Centre of Excellence- SDE & STEAMTH Training & Research Foundation held from **May 18 to 23, 2026** at SGBIT Belagavi.
3. **Prof. Ravindra Motekar** reviewed the manuscript titled **"Predicting Future Stock Market Utilizing a Combination of the CBR Model and Aquila Optimizer"** on **May 02, 2026** which has been submitted to International Journal of System Assurance Engineering and Management.
4. **Prof. Prakash Chavan** has been approved as the IEEE Student Branch Advisor for the IEEE Power Electronics Society at KLS VBIT Haliyal.
5. **Prof. Varaprasad Gaonkar** completed an

online course titled **"Create a Financial Statement using Microsoft Excel"** from **Coursera** on **May 25, 2026**.

6. **Prof. Varaprasad Gaonkar** attended a **Faculty Development Program (FDP)** on **"LaTeX"** and successfully completed the online test on **April 30, 2026**. The program was organized at KLS VBIT, Haliyal, and the training was offered by EduPyramids in association with SINE, IIT Bombay.
7. **Prof. Kirankumar Hittanagi** successfully completed the **12 weeks NPTEL** course titled **Smart Grid: Basics to Advanced Technologies** from **Jan-Apr, 2026** with a consolidated score of **92%** and **Elite Gold**.

Event Organized

1. The Department of Electrical and Electronics Engineering, KLS VBIT, organized an **industrial visit** by the **BIS HUBLI branch** to **Prakash Metal Products, Hubli** on **May 15, 2026**. A total of **52 students** from **4th Semester EEE** participated in the visit. The program was coordinated by the department to provide practical exposure to transformer manufacturing processes and industrial practices. Students gained valuable insights into transformer design, production challenges, quality standards, and professional ethics followed in the industry. The visit helped bridge the gap between theoretical knowledge and real-world

Department of Electrical & Electronics Engineering

industrial applications. The event was successfully coordinated by **Prof. Deepak Lokare & Mr. Vittal K.**

- The Department of Electrical and Electronics Engineering, KLS VDIIT, organized the farewell party “Nenapinangala-2026” for **outgoing final-year students on May 20, 2026** at the Visvesvaraya Seminar Hall. Students from the 4th and 6th semesters actively participated in the function. Principal, Dr. V. A. The resource person for the event **Mr. Basavaraj Hiremath, proud alumnus of batch (2006–2010)** and presently working as Consultant Quality at **Infosys BPM, Bangalore**. This event was coordinated by **Prof. Jyoti Kammar and Prof. Pavitra Badiger**.

Activities Attended

1. **Prof. Rajeshwari P**, has successfully completed **"Six Days Online Workshop on From Concept to Claim: An Interactive Patent Drafting Workshop"** organized by the **Department of Mathematics, CMR Institute of Technology, Bengaluru** from **April 20 to 25, 2026**.
2. **Prof. Sudheendra Yalagur** Successfully Completed **3 Days online FDP** on **"Future Ready Teaching Practices"** from **May 6 to 8, 2026** Organized by **CCE, IIT Mandi**.

Department of Mechanical Engineering

Staff & Student Achievement

3. **Prof. Rajeshwari P**, has successfully completed **(IA) training course on "Foundation Level" Conducted online mode by IIC & AICTE May 14, 2026**
4. **Prof. Ashwini G, Prof. Rajeshwari P, Prof. Pavitra B, Prof. Jyoti Kammar, Prof. Raghavendra Nagaralli, Prof. A. V. Kolaki, Prof. Sudheendra Yalagur, Dr. Plasin F. Dias, Prof. Pooja Shindhe, Prof. Rohini K, Prof. Deepak Sharma, Prof. Suraj Kadli, Prof. Vijayalaxmi C. Kalal, Prof. Nikhil K and Dr. Meenal M. Kaliwal** have successfully participated in one week FDP on **"AI and Open-source tools for teaching Learning Excellence"** Conducted by **Information Management and Emerging Engineering Department, NITTTR Chandigarh at virtual center KLS Vdit, Haliyal** from **May 18 to 22, 2026** in online mode.
5. **Prof. Deepak Sharma** has successfully participated in the **5-Days ANRF sponsored workshop - Hands-on "Analog VLSI circuit and RF circuit design"** Organized by **IIIT, DHARWAD** from **May 28 to June 01, 2026**.

1. On **May 12, 2026**, **Prof. Plasin F. Dias** Successfully defended her **P.hD Viva Voce** on the Research Topic Entitled **"Signal Processing Techniques for Polarimetry in Synthetic Aperture Radar"** under the **Guidance of Dr. Rajeshwari Banakar**.
2. **Dr. Plasin Francis Dias** has published research paper titled **"Pauli decomposition Analysis"**, in the month of **April 2026** in **IEEE** with DOI: **10.1109/ICCIST67338.2025.11438514**.
3. **Prof. Vijayalaxmi C. Kalal** has successfully completed **NPTEL Course and FDP** on **"Introduction to Machine Learning"** with a consolidated score of **55%** on **May 15, 2026**.
4. **Prof. Suraj Kadli** has successfully completed **3 - NPTEL Courses** namely **"Introduction to Machine Learning", "Biomedical Signal Processing" and "Multirate DSP"** in **May 2026**.
5. **Prof. Ashwini Garaddi** has completed **12 weeks NPTEL course** on **Cryptography and Network security** in **May 2026**.
6. **Prof. Rajeshwari P** has completed **12 weeks NPTEL course** on **Research Methodology** in **April 2026**.

Department of Mechanical Engineering

Staff & Student Activity

1. **Dr. Gururaj Hatti, Prof. R. N. Patil, Dr. Anant Joshi, Prof. Gurnath Mewundi** attended a one week online FDP “**AI and Open source tools for teaching Learning Excellence**” organized by Information Management and Emerging Engineering Department, **NITTTR, Chandigarh** from **May 18, 2026 to May 22, 2026**.
2. **Prof. S.D. Kulkarni** delivered a talk on “**Industry 5.0 for Vikasit Bharat**” at **IEI Chapter Dharwad** on **May 26, 2026**.

Workshop Attended

Dr. S.V. Channapattana & Dr. Anant Joshi attended a workshop on **IISc** PG certification program in **Product Design & Innovation** on **May 16, 2026**. This programme offers students valuable opportunities for advanced design training, IISc certification, startup ecosystem exposure, and industry-linked engagement, opening new avenues for academic excellence and innovation.

Industrial Visit

Mechanical Engineering students of **4th sem** visited **Sanvi NDT & Engineering Hubballi** on **May 23, 2026**. Students were exposed to various Non-Destructive Testing equipment, procedures, and industrial applications. The visit was co-ordinated by **Prof. R.N. Patil & Prof. B.B. Patil**.

Technical Talk

An online Technical talk was organized for **4th & 6th sem** students on “**Engineering Innovation through Product Lifecycle Management**” on **May 14, 2026**. **Mr. Raghavendra Gamanagatti, Metso Corporation, Finland** was the resource person. The event was co-ordinated by **Dr. Shankar Badiger & Dr. Anant Joshi**.

Department of Basic Science & Humanities

Staff Achievement

1. **Dr Sneha S Kulkarni** has published her research article on topic "Pharmacological agents and drug safety in oral and maxillofacial surgery Anaesthesia", **European Journal of prosthodontics and restorative dentistry**, Vol. 34, Issue 2, pp19-28, 2026.
2. **Dr Sneha S Kulkarni** has published her research article on "**Circular Economy Engineered Alkali activated alumina Residue Jute composite liners as High Performance Hydraulic Barriers for sustainable agricultural water storage systems SSRG**" **International journal of civil engineering** , Vol.13,issue 5,pp326-336, 2026.
3. Dr M S Sannaikar has presented paper on "**Investigation of Förster Resonance**

Energy Transfer (FRET) Mechanism between Organic Dye Molecules and Gold Nanoparticles (AuNPs) of Varying Sizes." at the Two-Day International Conference on "**Recent Trends in Applied Science (ICRTAS-2026)**", held on May 7 to 8, 2026, organized by the Departments of Physics and Chemistry, Srinivas Institute of Technology, Valachil, Mangaluru.

4. **Dr Sneha S Kulkarni, Dr G S Kurdekar, Dr Mallikarjun Patil** Participated in the **AICTE Recognized Faculty Development Program on AI and Open source tool for teaching Learning Excellence** Conducted by Information Management and Emerging Engineering Department from May 18 to 22 (One Week), 2026 at **NITTTR, Chandigarh** (Hybrid mode)

Foundation Day at KLS VDIT

The **22nd Foundation Day of KLS VDIT College** was celebrated on **May 11** with great enthusiasm.

★ FIRST-OF-ITS-KIND INITIATIVE

AI Powered Career Readiness Platform

Preplndia Program for KLS Vdit Students

360+ STUDENTS BENEFITTING

Empowering KLS Vdit students with smarter preparation for placements, interviews, and career success.

KEY BENEFITS FOR STUDENTS

- 1 Personalized AI-driven assessments
- 2 Technical and soft-skill development
- 3 Unlimited practice opportunities
- 4 Progress tracking and readiness insights
- 5 Improved interview and placement preparation
- 6 Confidence building for career success

WHY IT MATTERS

- Helps students identify strengths and improvement areas
- Supports continuous placement readiness
- Encourages smarter, data-driven preparation

Preparing students today for the opportunities of tomorrow.

ABOUT THE RESEARCH
The narrative review critically analyzes pharmacological agents used in oral and maxillofacial surgery (OMFS) procedures and evaluates associated risks, adverse reactions, and evolving clinical strategies. The study emphasizes safe and effective anesthesia, sedation, and analgesia management in oral maxillofacial surgery (OMFS) among adults and the importance of enhanced monitoring and patient education in modern OMFS practices.

KLS Vdit GREEN INITIATIVE
in the Campus
IN ASSOCIATION WITH ECO CLUB

A Greener Campus | A Sustainable Future | A Better Tomorrow

- PLANTATION DRIVE**
Regular plantation drives to increase green cover and promote a healthy environment.
- 310+ NUMBER OF SPECIES**
Home to 310+ varieties of flora enhancing biodiversity and ecological balance.
- WELL DEVELOPED MEDICINAL PLANT**
A rich collection of medicinal plants promoting health, research and traditional knowledge.
- SINGLE USE PLASTIC BAN IN THE CAMPUS**
Single use plastic is strictly banned in the campus for a clean and sustainable environment.
- KALKI BIO CULTURE**
Use of KALKI bioculture as an eco-friendly replacement of acids and phenyls.
- STP SETUP**
Sewage Treatment Plant (STP) ensures treatment and reuse of water, promoting water sustainability.
- RAINWATER HARVESTING STRUCTURE**
Rainwater harvesting structures to conserve rainwater and recharge groundwater.
- SOLAR ROOFTOP**
Solar rooftop installation harnessing clean and renewable energy.
- CO₂ REDUCTION CALCULATION**
Regular calculation of CO₂ reduction through green initiatives and sustainable practices.
- 2 NATURAL PONDS**
Two natural ponds maintained in the campus supporting biodiversity and ecological balance.
- SDG IMPLEMENTATION**
Committed to implementing Sustainable Development Goals (SDGs) for a better and sustainable future.
- SENSOR BASED WATER TAP**
Sensor based water taps installed to reduce water wastage and promote conservation.
